activities in each book! --The worksheets in these books will give students the practice they need to become grammar experts. This book offers a wide variety of activities that provide a knowledge of the rules and regulations of proper English usage. Some of the basic skills addressed are alphabetical order, synonyms, antonyms, homonyms, parts of speech, plurals, verb tenses, punctuation, sentences, and possession. The activities are also illustrated to enhance student motivation.

This book continues to lay a foundation for the student s effectiveness in communicating with the English language. The student will review the basics of English grammar, focusing on parts of speech, using phrases and clauses properly, diagramming key words, phrases, and clauses, writing and diagramming sentences, and clarifying agreement in sentences. The final unit covers good composition. Grade 8."

**\*\*New!\*\***This illustrated grammar workbook teaches children the grammar concepts they need to know. The lessons are extremely well explained and easy to understand, giving students the opportunity to develop a solid foundation in grammar. Included are the study of the four types of sentences, clauses, the eight parts of speech, verb tenses, and much, much more. (Also includes sentence composition, allowing students the opportunity to apply the grammar they've learned.) An excellent grammar book because it makes grammar easy to understand and easy to learn.
