It is in the discovery of what God has already done, that our walk with Him becomes a joy and an adventure! Jesus' sacrifice on the cross was great. He exchanged His perfect life and all the power of heaven for our sins, our weaknesses. Through Him our eternal destiny is set. Yet in our day-to-day lives, It seems that we still deal with so many challenges - sickness, financial struggles, difficult relationships, our own shortcomings. Christ-truths that are life changing. Readers will learn how Jesus' death, burial, and resurrection not only paid for their eternal salvation, but gave them everything they need for abundant life right here, right now. Andrew encourages readers to avoid being like the dog constantly chasing his tail, not realizing he already has it. As readers begin to understand the extent of the work on the cross, their walk with God will be renewed and their life in Christ will become an adventure beyond anything they ever thought possible! Wommack approaches faith from a no-nonsense and unique perspective in that he challenges the reader to evaluate their idea of faith in God. Written along the same lines as Kenneth Hagin's *How to Turn Your Faith Loose and Right and Wrong Thinking*, Wommack goes a step further by

revealing the erroneous teachings that encourage believers to beg for God's help. Instead he shows that Jesus already finished His work when He was resurrected and now it's the believer's responsibility and privilege to enforce that victory against the powers of darkness.

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has

anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one

who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us

sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of

the laws which control the flow of God's power that keeps us from benefiting from it.

Difficult situations have a way of revealing the heart. Extreme financial pressure, a broken family relationship, or the death of a loved one may be a crisis to one person, while to another, an opportunity to prove the power of God's Word. What's the difference? That's the question Andrew will answer in this book. He speaks straight to the heart of the matter and clearly teaches how two people facing the same set of pressing circumstances can respond very differently. You'll learn what the Bible means when it says, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me," and how that knowledge can change

the way you respond in a crisis. Love, joy, and peace can be yours, even in the worst of situations.

Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn

to follow God's will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit God's promises.

Everyone views life through a filter. The Bible calls that your philosophy. It's the way you think and it controls the outcome of your life. Ask yourself, do you believe the bible is the infallible and inspired word of God? Do you believe

there is only one way to God? Is God good or judgmental? Does He control your destiny or is that up to you? The answers to these questions and many more will determine your philosophy. That philosophy then, will affect the way you see many social issues like creations and evolution, abortion and homosexuality. Christian Philosophy addresses the way we think, or should think according to the word of God, and applies that in a practical way to the issues we are facing in our culture. It will change the way your view the world forever.

The New You It's important to understand what happened when you received Jesus as your Savior. That knowledge and understanding will keep the Word that was sown in

your heart from being stolen by Satan. There is more to salvation than you have ever imagined. The forgiveness of sin was not the only thing included in your salvation. From God's perspective, it is just the beginning, a means to an end. Fellowship is the real goal. Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. The Holy Spirit Living the abundant life that Jesus provided is impossible without the Holy Spirit. Before Jesus disciples received Him, they were weak and fearful. After receiving, each one became a powerhouse of God's miraculous power, and that's available to you. If you believe the Bible is true, then you must also believe the baptism in the Holy Spirit is God's
