In an alchemical ritual gone wrong, Edward Elric lost his arm and his leg, and his brother Alphonse became nothing but a soul in a suit of armor. Equipped with mechanical "auto-mail" limbs, Edward becomes a state alchemist, seeking the one thing that can restore his brother and himself...the legendary Philosopher's Stone. Accompanied by their bodyguard, Alex Louis Armstrong, our heroes seek out the closest childhood friend, mechanic Winry Rockbell, to fix their battered "auto-mail" body parts. Soon their quest for the Philosopher's Stone takes them to the great central library, where the Stone's formula may be hidden...if the mysterious figure named Lust doesn't get there first! But the secret of the Philosopher's Stone may be even more frightening than the beings who guard it...

In an alchemical ritual gone wrong, Edward Elric lost his arm and his leg, and his brother Alphonse became nothing but a soul in a suit of armor. Equipped with mechanical "auto-mail" limbs, Edward becomes a state alchemist, seeking the one thing that can restore his brother and himself...the legendary Philosopher's Stone. There are many types of alchemy in the world. Edward's commanding officer, "Flame Alchemist" Roy Mustang, can control fire. Shou Tucker, the "Sewing-Life Alchemist," specializes in the most difficult alchemy of all...biological transmutation, the ability to alter the tissue of living things. But no matter what their power, alchemists are still human. And when a mysterious killer begins stalking state alchemists, no one can escape his vengeance...

When an alchemical ritual goes awry causing Edward Elric to lose limbs and his brother to become trapped in a suit of armor, Edward begins a quest to recover the one thing that can restore them--the legendary Philosopher's Stone.

Alchemy: the mystical power to alter the natural world; something between magic, art, and science. When two brothers, Edward and Alphonse Elric, dabbled in this power to grant their dearest wish, one of them lost an arm and a leg...and the other became nothing but a soul locked into a body of living steel. Now Edward is a agent of the government, a slave of the military-alchemical complex, using his unique powers to obey orders...even to kill. Except his powers aren't unique. The world has been ravaged by the abuse of alchemy. And in the pursuit of the ultimate alchemical treasure, the Philosopher's Stone, their enemies are even more ruthless than they are...

Alchemy tore the Elric brothers ' bodies apart. Can their bond make them whole again? In an alchemical ritual gone wrong, Edward Elric lost his arm and his leg, and his brother Alphonse became nothing but a soul in a suit of armor. Though their circumstances are tragic, in these spoofs penned by series' author Hiromu Arakawa, the brothers ' quest to reclaim their bodies is completely hilarious! Collects all of author Hiromu Arakawa 's beloved four-panel comic strips from the the graphic novel series, her bonus strips from the anime DVDs of Fullmetal Alchemist and Fullmetal Alchemist: Brotherhood and rare strips from Japan! No joke is too cheesy and there are no sacred cows when Arakawa takes up her pen to spoof her own characters in this delightfully zany take on Fullmetal Alchemist!
