An artist admirer of a master is fascinated by his increasingly dark visions and seeks to meet him. The trip becomes a voyage into the depth of dreams and nightmares... In an exciting new hardcover format and featuring almost all-new work!

The latest collection of graphic art by the best-selling artist of *Secrets*, *Malefic*, *III*, *Millennium* and others. More beguiling fantasy, painting plus the beginning of an elaboration on the front cover of *Malefic*.

The newest collection of amazing fantasy art with a deeply sensual touch. All never-before-seen! In full-colour throughout.

In a world recuperating from a series of global wars, a teenage Elf named Ardan and his best friend Keegan must fight a lethal army of hive-minded, cybernetic soldiers.

"When Rob and his brother arrive on an island in the Arctic Ocean, their family vacation is anything but boring. Even the airplane pilot is crazy, and his name is Crash" Cf. *Our choice*, 2002.

Diversity. This word alone could define the meaning of *Dreams*, a book which compiles intense and eclectic works by Luis Royo which were created in the last 10 years. Fantasy, the Wild West, Science Fiction... The viewer should not be surprised to find all these genres co-existing with one another in this dense selection, a masterful display of great versatility. These works, never before published in a book, include sketches, comments by the author and new illustrations.

- The third volume of the *Prohibited* book saga, which completes the trilogy, contains a sensational illustrated story full of eroticism written by Luis Royo.

This beautiful sketchbook is an exciting collection of fresh new images, revealed to us as they are seized by the artist's agile, nervous pencil. The result is an exceptional journey through drawings, sketches and pencils.

Projects are divided into two books with a clear difference. The first gathers images designed to walk freely by the author's eternal dreams around the fantasy and the female world, while the second collects specific work done to carry out a project or be the cover of a product or a book. The free path of these pages is flooded by the female figure. The protagonist, the "goddess". In all his career is a constant. A repeated image in search of the ideal, in search of that mother goddess lost in time.
