35 reproducible exercises in each guide reinforce basic reading and comprehension skills as they teach higher order critical thinking skills and literary appreciation. Teaching suggestions, background notes, act-by-act summaries, and answer keys included.

A graphic novel adaptation of William Shakespeare's play about the first emperor of ancient Rome, the conspiracy to assassinate him, and the civil war that follows his murder.

This edition will be of interest to all Greek scholars, ancient historians, and also the students of English literature since the relevant discussions require no knowledge of Greek.

Timeless Shakespeare—designed for the struggling reader and adapted to retain the integrity of the original play. These classic plays retold will grab a student's attention from the first page. Presented in traditional play script format, each title features simplified language, easy-to-read type, and strict adherence to the tone and integrity of the original. Thirty-five reproducible activities per guide reinforce basic reading and comprehension skills while teaching high-order critical thinking. Also included are teaching suggestions, background notes, summaries, and answer keys. The guide is digital and only available on CD-ROM; simply print the activities you need for each lesson.

A professor of history and classics describes the actual events of March 15, 44 BC, when Julius Caesar was murdered during the Roman civil wars, and compares them to those outlined by William Shakespeare in his famous play.--Publisher's description.
