The reader will have answer, do you really want Jesus, for Who He is, or the tepid imitation, watered down version of Who He is presented as today.

Faith Beyond Reason, a book by A.W. Tozer, is a compilation of sermons on the book of John. It is within this series of sermons that you will find A.W. Tozer addressing the whole truth that all things are possible with God. Tozer takes us in Faith Beyond Reason to a new understanding of our spiritual birth and human conscience and addresses our enlightened spirit, inner knowledge and the resurrection. IT is these truths that sustain us in our Christian walk. Faith Beyond Reason comes to us with insights of faith and Tozer takes an in depth look and what it stands on. In Tozer's typical fashion and style, he explores the things that are beyond or frail human understanding. Faith Beyond Reason will leave you with a new and empowering sense of the faith while subtly revealing the power of God in our lives. The question every Christian must ask as they prepare to walk with God is, do they really believe that the God they worship will move heaven and earth for them if they truly trust in Him? The whole premise of this book is that with God nothing is impossible especially when it comes to His children. We must act with faith and do what is needed.

Oswald Chambers, author of My Utmost for His Highest, remains one of the best-loved and most deeply respected theologians and writers in church history. Few authors inspire and encourage as he does, and never is this more apparent than in Devotions for a Deeper Life. Devotions for a Deeper Life, excerpted from lesser known essays Chambers wrote in the early twentieth century, will instruct and encourage you with its accuracy and poignant reflections on the Christian life. This daily devotional dives into what it means to live out your faith in dynamic and compelling ways. More than 75 years have passed since the original publication, but the content remains relevant and deeply inspiring. Oswald Chambers created one of the most classic and influential books in church history when he penned My Utmost for His Highest. His insights and understanding of the nature of God challenge readers to examine their faith and grow in depth and maturity. Devotions for a Deeper Life brings this message to an entirely new generation of believers and will show, once again, the timeless beauty found in the truth of Scripture.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between thruths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

My life was spiraling out of control. The day I found myself at an intersection waiting for a bus, I knew I'd hit rock bottom. It wasn't even a bus stop. Rather than board, I intended to step in front of it and end all the misery in my life. "Everybody will be better off," I told myself. Fortunately, one faint spark of hope kept me on the sidewalk that day. Then I met Brad. Psychologist-turned life coach, his direct, no-nonsense approach nearly drove me out of his office on the first visit. But wise and patient mentoring over time guided me in unlocking one of life's greatest paradoxical truths: The Gift in the Wound. My world changed. While gifts in wounds sounds straightforward, in actuality our greatest gifts of wisdom, insight, confidence, courage, compassion - to name just a few - are not merely hiding in our deepest wounds. They are locked up in plain sight. And we refuse to use the key. In fact, we believe it to be the enemy. Come share the journey of discovering five keys to unlocking your most valuable personal gifts. The process can be initially painful and highly counter-intuitive - which is why so few people discover it. But those willing to fully engage build lives of wholeness, success and unspeakable joy. The stories of other brave survivors and deeply wounded individuals I encountered along the way will inspire you to unlock the greatness within. The Five Keys to unlocking the gift in the wound: -Choose - Because you can. No justification or approval required. -Victory over victim - Victimization is life. Victim is a choice. -The pain portal - Pain embraced turns the lock to the gift in the wound. -I love me - Forgiveness and gratitude include you - especially you. -Effortless acceptance - Learning to obtain by surrender.
