Almost ten years have passed since Karl Ove Knausgaard's father drank himself to death. Vulnerable and assailed by doubts, he is now embarking on a new novel. With an uncanny eye for detail, Knausgaard breaks down his own life story to its elementary particles, reliving memories, reopening wounds, and examining with

candor the turbulence and the epiphanies that emerge from his own experience of fatherhood, the fallout in the wake of his father's death, and his visceral connection to music, art, and literature. Karl Ove's dilemmas strike nerves that give us raw glimpses of our particular moment in history as we witness what happens to the sensitive and churning mind of a young man trying- as if his very life depended on it- to find his place in the disjointed world around him. This Proustian masterpiece opens a window into one of the most original minds writing today. Intense and vital... The need for totality . . . brings superb, lingering, celestial passages . . . The concluding sentences of the book [are] placid, plain, achieved. They have what Walter Benjamin called 'the epic side of truth, wisdom.' --James Wood, The New Yorker "While not unconcerned with finding objective truth in the moments he

Three were available in English now.

--Jonathan Callahan, *The Millions*

Knausgaard's preternatural facility for description, the dreamy thickness of his prose, speaks not only to the sheer pleasure his fiction affords, but to the philosophical stakes of that pleasure. --

Mark Sussman, *Los Angeles Review of Books*

An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him.

The third volume--the book that made Knausgaard a phenomenon in the United States--in the addictive *New York Times* bestselling series *A family of four*--mother, father, and two boys--move to the south coast of Norway, to a new house on a newly developed site. It is the

early 1970s and the family's trajectory is upwardly mobile: the future seems limitless. In painstaking, sometimes self-lacerating detail, Karl Ove Knausgaard paints a world familiar to anyone who can recall the intensity and novelty of childhood experience, one in which children and adults lead parallel lives that never meet. Perhaps the most Proustian in the series, *My Struggle: Book 3* gives us Knausgaard's vivid, technicolor recollections of childhood, his emerging self-understanding, and the multilayered nature of time's passing, memory, and existence.

My Struggle: Book 4 finds an eighteen-year-old Karl Ove Knausgaard in a tiny fishing village in northern Norway, where he has been hired as a schoolteacher and is living on his own for the first time. When the ferocious winter takes hold, Karl

Ove--in the company of the Håfjord locals, a warm and earthy group who have spent their lives working, drinking, and joking together in close quarters--confronts private demons, reels from humiliations, and is elated by small victories. We are immersed, along with Karl Ove, in this world--sometimes claustrophobic, sometimes serenely beautiful--where memories and physical obsessions burn throughout the endless Arctic winter. In Book 4, Karl Ove must weigh the realities of his new life as a writer against everything he had believed it would be.

A man leaves his wife and everything he knows in Oslo for a fresh start in Stockholm. There he strikes up a deep and competitive friendship with Geir and pursues Linda, a beautiful poet who captivated him years ago.

Karl Ove

The extraordinary final volume of 'the most significant literary enterprise of our times' (Guardian) *The End* is the sixth and final book in the monumental *My Struggle* cycle, which depicts life in all its shades, from moments of great drama to seemingly trivial everyday details. Here, Karl Ove Knausgaard examines life, death, love and literature with unsparing rigour and begins to count the cost of his project. He reflects on the fallout from the earlier books as he faces the pressures of literary acclaim and its often shattering repercussions. *The End* is at once a meditation on writing and its relationship with reality, and an account of a writer's relationship with himself - his ambitions, his frailties and doubts.
