Details about Speak Up!: Bringing speech into the visual age, Speak Up combines engaging writing, practical support, and engrossing real-life examples with hundreds of hand-drawn illustrations, bringing key concepts to life.

Written by professors with 40+ combined years' experience teaching the course and a competitive background in debate, Speak Up! connects with students through lively writing, compelling real-life examples, practical guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors will appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and often humorous illustrations that help students understand and retain concepts from the text. This edition features new illustrations, in full color for the first time; an increased focus on civic engagement throughout; and an all-new version of our Speech Choices case study feature that leads students through all steps of the public speaking process. Video of that student's final, full-length speech appears in LaunchPad, a comprehensive digital resource to accompany the book, alongside additional speech videos, a new video assessment program powered by GoReact, an adaptive quizzing program, and more.

Provides information on the concepts and theories of public speaking along with a variety of real-life examples and visual explanations.

Middle school is a tough time for nearly everyone, but it can be especially hard on girls. Between social and cultural pressures, academic challenges, family dynamics, changing hormones, and a growing awareness of the world around them, middle school girls often end up feeling voiceless and powerless. They can struggle with speaking in class, standing up for their beliefs, navigating complicated social situations, and generally letting their voices be heard. Speak Up! confronts these issues head on. In a relatable, frank tone, Speak Up! lets young girls know that what they have to say is important and that their thoughts are worth hearing. By presenting real issues and scenarios that girls will recognize from their own day-to-day lives, as well as exploring the negative thoughts and feelings that can hold them back, Speak Up! will supply girls with the tools they need to understand their feelings and speak up in any situation. Interactive exercises, lists, real-life examples, and attractive graphics will keep the readers engaged from start to finish. More than a book about self-esteem, Speak Up! addresses the cultural factors that hold girls back, and features real strategies to enable them in finding, and using, their voices.

Learning to use confidence as a strategic tool to bridge the differences of you and your co-workers will help you rise to the top of your game...even if you find yourself in a testosterone infused work environment. Jamie Dandar McKinney brings her edgy humor, real life examples, and practical exercises to crush your insecurities, quiet the voices of judgment, and empower yourself and other women around you to boldly Speak Up, Sister!

The beloved modern classic character, Molly Lou Melon, is tackling the timely topic of speaking up for yourself and others. Molly Lou Melon's mother taught her to use her big voice for good—to speak up for what's right, for those who can't, and even when it's hard. So she does. When school starts and a bully begins teasing everyone, including a new student, Molly Lou knows just what to do. From standing up for a friend to admitting when you've made a mistake, Molly Lou shows us how speaking up is always the right choice. The beloved classic character has another important message to share, and David Catrow's vibrant and spunky illustrations continue to expand Molly Lou's larger-than-life personality.

Let's Communicate is everything you want in a human communication text—substantive, engaging, and fun. Created by communication scholars Douglas Fraleigh, Joseph Tuman, and Katherine Adams, Let's Communicate takes their combined 100 years' worth of research and teaching experience to present all the basic human communication concepts with unique attention paid to technology, culture, gender, and social justice. The authors provides provocative, real-life examples and a special focus on skills that together make communication meaningful for students both in and out of the classroom—all at an affordable price. Let's Communicate is also the first human communication text to use hundreds of hand-drawn illustrations that help students understand and retain important concepts. These unique and often humorous illustrations present concepts in graphic form (especially helpful for visual learners), make complex ideas easier to understand, provide hooks to help students remember material, extend concepts, and generate discussion.

A wonderful new book is coming from Random House Children's Books.

Illustrations and easy-to-read, rhyming text encourage the reader to speak up about everything from their own name being mispronounced to someone bring a weapon to school. Includes author's note about real people who have found their voices, when to speak up, and how to express oneself without speaking.

A Vogue "Book to Change Your Life in 2018" Pick A Bustle "Best Nonfiction Book of January 2018 to Get You Ready for the Year" From the creator of the Pussyhat Project comes a manifesto for every woman to create her own distinct and original path to joy, success, and impact. On January 21, 2017, millions of protestors took part in the Women's March, and many of them created a "sea of pink" when they wore knitted pink "pussyhats" in record numbers. The pussyhat swiftly found its place on the cover of TIME and the New Yorker, and it ultimately came to symbolize resistance culture. Creator of the Pussyhat Project, Krista Suh, took an idea and built a worldwide movement and symbol in just two months. But like so many women, Krista spent years letting her fears stop her from learning to live by her own rules. Now in DIY RULES FOR A WTF WORLD, Krista Suh shares the tools, tips, experiences, "rules," and knitting patterns she uses to get creative, get bold, and change the world. From learning how to use your own intuition to decide which rules are right for you to finding your inner-courage to speak up fearlessly, from finding what your passions are (this might surprise you!) to dealing with the squelchers out there, DIY RULES FOR THE WTF WORLD not only inspires you to demolish the patriarchy, but also enables you to create your own rules for living, and even a movement of your own, all with gusto, purpose, and joy.
