From the author of the #1 New York Times bestseller *So You Want to Talk About Race*, an “illuminating” (New York Times Book Review) history of white male identity. What happens to a country that tells generation after generation of white men that they deserve power? What happens when success is defined by status over women and people of color, instead of by actual accomplishments? Through the last 150 years of American history -- from the post-reconstruction South and the mythic stories of cowboys in the West, to the present-day controversy over NFL protests and the backlash against the rise of women in politics -- Ijeoma Oluo exposes the devastating consequences of white male supremacy

on women, people of color, and white men themselves. Mediocre investigates the real costs of this phenomenon in order to imagine a new white male identity, one free from racism and sexism. As provocative as it is essential, this book will upend everything you thought you knew about American identity and offers a bold new vision of American greatness.

This inspirational book, written by Lin Hart, combines the best attributes of a rousing memoir with the direct imperative of a self-help book, holding up the life of Reg Lewis as a model for success.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial

equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

White Guys on Campus is a critical examination of the role of race in higher education, centering Whiteness, in an effort to unveil the frequently unconscious habits of racism among white male students. It details many of the contours of contemporary, systemic racism, while continually engaging the possibility of White students to engage in anti-racism.

The grandson of slaves, born into poverty in 1892 in the Deep South, A. G. Gaston died more than a century later with a fortune worth well over \$130 million and a business empire spanning communications, real estate, and insurance. Gaston was, by any measure, a heroic figure whose wealth and influence bore comparison to J. P. Morgan and Andrew Carnegie. Here, for the first time, is the story of the life of this extraordinary pioneer, told by his niece and grandniece, the award-winning television journalist Carol Jenkins and her daughter Elizabeth Gardner Hines. Born at a time when the bitter legacy of slavery and Reconstruction still poisoned the lives of black Americans, Gaston was determined to make

a difference for himself and his people. His first job, after serving in the celebrated all-black regiment during World War I, bound him to the near-slavery of an Alabama coal mine—but even here Gaston saw not only hope but opportunity. He launched a business selling lunches to fellow miners, soon established a rudimentary bank—and from then on there was no stopping him. A kind of black Horatio Alger, Gaston let a single, powerful question be his guide: What do our people need now? His success flowed from an uncanny genius for knowing the answer. Combining rich family lore with a deep knowledge of American social and economic history, Carol Jenkins and Elizabeth Hines unfold Gaston's success story against

the backdrop of a century of crushing racial hatred and bigotry. Gaston not only survived the hardships of being black during the Depression, he flourished, and by the 1950s he was ruling a Birmingham-based business empire. When the movement for civil rights swept through the South in the late 1950s and early 1960s, Gaston provided critical financial support to many activists. At the time of his death in 1996, A. G. Gaston was one of the wealthiest black men in America, if not the wealthiest. But his legacy extended far beyond the monetary. He was a man who had proved it was possible to overcome staggering odds and make a place for himself as a leader, a captain of industry, and a far-sighted
