~~What's on your bucket list? For one man the answer was just the beginning. Have you ever allowed yourself time to think about what's really important to you? Something you have always dreamed of doing? In a moment of reflection after the loss of a friend, Sebastian Terry's answer is a list of 100 things, the things he's always wanted to do. Sebastian embarks on an incredible adventure which sees him Get Shot in Colombia, Crash the Red Carpet at the Cannes Film Festival and Cycle Through Cuba - all in an effort to ensure he lives a life without regrets. Now more than halfway through his list, Sebastian has realised that his journey is part of something so much bigger . . . 100 Things is a humorous, action-packed story for anyone who's ever dreamed about living every day like it was their last.~~

~~The wizards of Unseen University are again called upon to defend their creation, Roundworld, this time in a courtroom—where its very existence hangs in the balance. The Omnians fervently believe that the world is round, not flat, and view the discovery of Roundworld as a vindication of their faith. To leave this artifact in the hands of the wizards would be unacceptable. Not only do the academics hold that Discworld is flat, but by creating the Roundworld universe, they have elevated themselves to the level of gods. Ankh-Morpork 's venerable tyrant Lord Vetinari agrees to a tribunal, where the wizards Ridcully, Rincewind, and Ponder Stibbons can present their case—with key assistance from a Roundworld librarian named Marjorie Daw. JUDGMENT DAY weaves together explorations of such Earthly topics as big science, creation, subatomic particles, the existence of dark matter, and the psychology of belief—a treat for Discworld fans and readers of popular science alike.~~

~~From London to Corsica to Paris -- as a young woman pursues the truth about her late mother, two captivating love stories unfurl in this captivating novel from the author of The Guest List. Kate Darling's enigmatic mother -- a once-famous ballerina -- has passed away, leaving Kate bereft. When her grandmother falls ill and bequeaths to Kate a small portrait of a woman who bears a striking resemblance to Kate's mother, Kate uncovers a mystery that may upend everything she thought she knew. Kate's journey to find the true identity of the woman in the portrait takes her to some of the world's most iconic and indulgent locales, revealing a love story that began in the wild 1920s and was disrupted by war and could now spark new love for Kate. Alternating between Kate's present-day hunt and voices from the past, The Book of Lost and Found casts light on family secrets and love -- both lost and found.~~

~~In 1853, Abigail Scott was a 19-year-old school teacher in Oregon Territory when she married Ben Duniway. Marriage meant giving up on teaching, but Abigail always believed she was meant to be more than a good wife and mother. When financial mistakes and an injury force Ben to stop working, Abigail becomes the primary breadwinner for her growing family. What she sees as a working woman appalls her, and she devotes her life to fighting for the rights of women, including their right to vote. Following Abigail as she bears six children, runs a millinery and a private school, helps on the farm, writes novels, gives speeches, and eventually runs a newspaper supporting women's suffrage, Something Worth Doing explores issues that will resonate strongly with modern women: the pull between career and family, finding one's place in the public sphere, and dealing with frustrations and prejudices women encounter when they compete in male-dominated spaces. Based on a true story of a pioneer for women's rights from award-winning author Jane Kirkpatrick will inspire you to believe that some things are worth doing—even when the cost is great.~~

~~2013 Laura Ingalls Wilder Award Rosa 's mother is singing again, for the first time since Papa died in an accident in the mills. But instead of filling their cramped tenement apartment with Italian lullabies, Mamma is out on the streets singing union songs, and Rosa is terrified that her mother and older sister, Anna, are endangering their lives by marching against the corrupt mill owners. After all, didn ' t Miss Finch tell the class that the strikers are nothing but rabble-rousers—an uneducated, violent mob? Suppose Mamma and Anna are jailed or, worse, killed? What will happen to Rosa and little Ricci? When Rosa is sent to Vermont with other children to live with strangers until the strike is over, she fears she will never see her family again. Then, on the train, a boy begs her to pretend that he is her brother. Alone and far from home, she agrees to protect him . . . even though she suspects that he is hiding some terrible secret. From a beloved, award-winning author, here is a moving story based on real events surrounding an infamous 1912 strike.~~

~~When Rowland Sinclair is invited to take his yellow Mercedes onto the Maroubra Speedway, popularly known as the Killer Track, he agrees without caution or reserve. But then people start to die... The body of a journalist covering the race is found in a House of Horrors, an English blueblood with Blackshirt affiliations is killed on the race track... and it seems that someone has Rowland in their sights. A strange young reporter preoccupied with black magic, a mysterious vagabond, an up-and-coming actor by the name of Flynn, and ruthless bookmakers all add mayhem to the mix. With danger presenting at every turn, and the brakes long since disengaged, Rowland Sinclair hurtles towards disaster with an artist, a poet and brazen sculptress along for the ride.~~

~~How does a woman, who had everything, find her way in this world when all the meaning has been removed? Mara Dalton has a life that most women only dream of. She has an amazing husband, a new baby boy and owns her own company. When her husband and son are killed tragically just days before Christmas, Mara stops living as well. For years she tries to live but finds herself only existing. She attempts to avoid reliving another year of horrible memories at Christmas by leaving her home; which has become her tomb. While traveling with not much of a plan other than avoidance, she discovers a small town in Alabama. The quaint town seems the perfect place to avoid the holiday and her pain. She finds more than she bargained for in the Lambert family; a family whose roots are buried deep in their small southern town. Mara discovers the one thing she has lost, herself. She struggles to allow herself to live again, at the same time breathing life into the town and the Lamberts. Sometimes we don ' t get to choose where we lay our roots, it chooses us.~~

~~Now a New York Times bestseller! From the author of Truths I Never Told You, Before I Let You Go, and the upcoming The Warsaw Orphan, Kelly Rimmer 's powerful WWII novel follows a woman 's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. “ Kelly Rimmer has outdone herself. I thought that Before I Let You Go was one of the best novels I had ever read...If you only have time to read one book this year The Things We Cannot Say should be that book. Keep tissues handy.” —Fresh Fiction “ Fans of The Nightingale and Lilac Girls will adore The Things We Cannot Say.” —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It 's a decision that will alter her destiny...and it 's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina 's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents ' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's new and unforgettable novel, The Warsaw Orphan.~~

~~Though born into privilege and inheriting a fortune, Willie Donaldson ended up dying alone in a seedy rented flat, his computer still logged on to a lesbian porn site. To some, he had been one of the great, under-rated comic writers of our time, and to others, a dangerous force of corruption and decadence. His achievements were significant - he published Sylvia Plath while still at Cambridge, as a producer in the Sixties he staged Beyond the Fringe, and he was later to write the celebrated Henry Root Letters - but not as impressive as his reckless talent for self-destruction. The impresario became a serial bankrupt. The man about town, who had lived with Sarah Miles and been engaged to Carly Simon, ended up as a ponce in a Chelsea brothel. Success as a writer quickly led him into a dark underworld of crack addiction, fraud and sexual obsession. Now friend and collaborator, Terence Blacker unravels the intimate truth of Willie Donaldson's strange story in all its glamour, hilarity and pain. 'What a young fool I was. But how I adored him' Carly Simon 'A slimy crook' Private Eye 'For the skill and wit of his writing he deserves to be hailed as the English Nabokov' Auberon Waugh 'I am someone who always answers the phone at 1.00 am, because I know it isn't going to be my bank manager or the Inland Revenue, but probably a crack dealer or a prostitute' Willie Donaldson~~

~~Historical fiction set in France during WW II. An addictive look at the French Resistance through the eyes of two members who become lovers. The novel captivates from the first and is a beautifully written must-read.~~
