A Bend in the Road - IMDb

Although not one of his better stories, this book is both gripping and melancholy, with sprouts of joy. Usually, I have a few moments of torrential tears during a Sparks novel reading. But reading A Bend in the Road was more like a who-done-it (even though I figured it out pretty early on) with bits of romance interspersed.

When Juniper learns that Gabe's about to inherit the farm, she worries that he'll sell it. She comes up with a plan to get close to him and stop that from happening. “A virtuosic collection of stories followed by the sharp blade of a killer novella as the final act. Gerard Bianco’s stories do not creep up on you: they fall upon you like a raptor plummeting, wings folded, golden eye ablaze. Their signature swirl of caustic irony is bitter, often brutal -- a gleam of talons and a sudden cry -- resulting almost always in a small death of the heart.” —Dianne Benedict, Author of Shiny Objects Following a devastating fall, Rita finds herself standing outside the dining hall at an independent living facility. She squeezes the handle of her cane, and her knuckles turn white. Her wire-rimmed glasses accentuate the tears she tries to hide. After eighty-two years, and a lifetime of memories, Rita believes she’s been abandoned at the mouth of a fiery dragon that will swallow her up—and she is terrified. Gerard Bianco shares a fresh voice in short storytelling, leading the reader through seventeen vividly imagined journeys. When a man purchases a remote log cabin in the Adirondacks, he believes he has found a peaceful haven, until he discovers a stranger dead on his living room rug. A man, looking for a new adventure, joins a unique organization and quickly learns that getting what you want can sometimes lead to unimagined consequences. Two couples set out on a vacation in Maine, only to find their dreamy trip has turned into a getaway nightmare. A Sharp Bend in the Road redefines the art of the short story collection. Seventeen stories, built around absorbing characters, strong conflicts, and sometimes dark and absurdly humorous ingredients, prove that journeying through life is far from predictable.

Lunden, made a life-altering transition with grace and ease as she brought to a close two decades of hosting Good Morning America. For the first time Joan candidly reveals how she approached such an enormous challenge as an opportunity for growth -- and how you can, too. For each change that occurred during the course of those twenty years, Joan had an entire nation watching her respond, commenting on the things that she did, critiquing the way that she did them, and putting forth opinions on what she should do next: "People I had never met constantly offered me suggestions about how I should handle my divorce, how I should raise my children, and the career choices I should make after GMA. I was a private citizen with the normal stresses that a mother, wife, and businesswoman endures on a daily basis, going through life's changes in a public arena." We all go through change. Whether it's an illness in the family, a divorce, teenagers acting out, losing a job, having to move, or kids leaving the nest, one thing is certain: Change is the only thing we can count on. Yet, while change is the one constant in our lives, it often produces the greatest amount of fear. In this inspiring new book, Joan shows us the importance of staying levelheaded in the face of crisis no matter what or whom you're facing. Both an intimate self-portrait and a practical blueprint for living a happier, more fulfilling life, *A Bend in the Road is Not the End of the Road* proves once again why so many viewers have followed Joan Lunden for so many years.

Winner of the Edgar Award for Best First Novel "Don't be fooled by the novel's apparent simplicity: What emerges from the surface is a tale of extraordinary emotional power, one of longstanding pain set against the pulsating drumbeat of social change." -Sarah Weinman, NPR.org For twenty years, Celia Scott has watched her husband, Arthur, hide from the secrets surrounding his sister Eve's death. But when the 1967 Detroit riots frighten him even more than his Kansas past, he convinces Celia to pack up their family and return to the road he grew up on, Bent Road, and the same small town where Eve mysteriously died. And then a local girl disappears, catapulting the family headlong into a dead man's curve. . . .
