Athena wakes up in hell. Well...it's an alien slave ship, but it might as well be hell because she only has three choices. Mate. Become a sex slave. Or be killed. Great options. Desperate for freedom, a chance for survival is presented in the handsome rogue alien called Xul. But Xul is caught up in problems of his own and a mission he cannot afford to let fail--one that could be easily compromised if he dared open his heart. That doesn't leave her with many options and it doesn't help that she finds him utterly frustrating... ..and strong, hot, irresistible... She shouldn't really be thinking about him like that. Should she? Xul is a standalone read that contains delightfully steamy scenes with a guaranteed happily ever after, possessive alpha males, and strong female leads. There is no forced mating between the hero and heroine and no cliffhanger. It is the first book in the Captured by Aliens sci-fi alien romance series. Buy Xul today! A new galaxy awaits.

There are a million ways to end up in the Alien Bride Lottery. But all it takes is one. Every unmarried female human over the age of twenty-one gets entered once a year. You can also accept extra entries for legal infractions--instead of paying a parking fine, for example, you can request an extra entry. Lots of women do that. I mean, why not? The chances are astronomical that your name will get chosen to be one of the hundred or so women who get shipped off to space every year. And even if your name is drawn, the odds are slim that you'll match up with an alien who's looking for a mate. Most of the lottery-drawn women come back to Earth every year and resume their lives as if nothing changed. But some don't. And no matter what, getting drawn in the Lottery means you have to compete in the Bride Games. Guess that's where I'm heading now. I only hope I can avoid catching the eye of one of the giant, rainbow-hued brutes whose mission is to protect Earth--and who can claim me as a mate. All because I was Entered in the Alien Bride Lottery... Fans of Grace Goodwin, Laurann Dohner, and Ruby Dixon will love this steamy new series featuring gorgeous, bright alien heroes and the sassy human women they choose as mates! Every book in the Khanavai Warrior Bride Games series is a standalone romance. Join these brides as they find a whole new world of happily ever afters. Buy now for hot alien romance!

DROKAA warrior owns what he is able to take. And I take her. She's trembling in a closet, hiding from the raiding party invading her human settlement. Hiding from me. I collar her. I own her. She's mine by law. As the Captain of the Imperial Guard, I've sworn a solemn oath to have no mate, sire no offspring. Oath-breakers are traitors, executed without a second thought. Let them try. I'll beat them all for a chance to claim my mate. ARENI just want to go home. Except, I don't have one. These alien bastards burned it to the ground. And the biggest bastard of them all put a collar around my neck. He parades me around on the end of a leash like I'm his newest pet. My clothes are torn and my body is exposed and there's about a hundred alien warriors looking at me like they can't wait to have a turn. He keeps me safe from the horde. I'm his lawful captive, his property--and he doesn't want to share. But will he fight this hard to protect me when he finds out who I really am? This is the second book in the Zalaryn Raiders Trilogy and they should be read in order, but this is Droka and Aren's story and an HEA is guaranteed!

She's everything I shouldn't want. I capture her anyway. What humans hail an invasion we call Garrison Earth: a mission to save our species from extinction. But while my warriors will soon have the stomachs of their new mates swell with daughters, I know this planet holds nothing for me. Until a fierce, red-haired female points her gun with her eyes blazing fire, and I know I have found my mate. A bullet and a tranquilizer pad later, I carry her in my arms. Against my better judgment. But who argues fate? With a mission at the brink of failure, I have no time to wait around until Eden is willing to bond. I took her freedom. Might have taken her family. Taking her body is my obligation. I am a male without conscience. Incapable of love. No one has ever pierced my cold heart. No one ever will. Not even her. Captured is the first book in this interconnected romance series, following the Vetusian invasion and how it changes Earth over the course of two decades. If you enjoy strong women, devoted aliens, fated mates, and hard-earned happily ever after's with no cliffhangers, you'll love Garrison Earth. Author Note: The entire Garrison Earth series touches on subjects such as captivity, drug abuse, forced prostitution, loss of loved ones, human trafficking, rough handling, and violence. Any reader uncomfortable with the harsh realities of an alien invasion should please consider before purchase.

How can we be fated mates? We drive each other crazy. Kidnapped by aliens? Yeah, I don't think so. These Kalixian warriors may have rescued me from depraved Orkun warlords who abducted me, but that doesn't mean I'm going to obey their every command. I was a CEO back on Earth, and I don't take orders from any man. Not even from Malav. Especially not from Malav. Never mind that he's the most gorgeous man I've ever seen—even with his horns and color-changing eyes. Never mind that his prowess in the gladiator ring makes my heart beat faster and my body ache. I refuse to let myself fall for an alien. And even though I can't deny the chemistry that sparks between us, I can't afford to get attached to anyone on this planet. Because I've got a secret. I'm going to steal a ship. And I'm going to go home. Stolen is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a tough-as-nails heroine, and a possessive alpha hero who meets his match in his fated mate. Who knew reading sexy alien abduction stories could get a girl into trouble? Or that an e-reader could also be the gateway to another galaxy? I definitely didn't... but here I am anyway, mated to the Tsenturion High Commander just like the unwilling human heroines in my favorite sci-fi romances. The Commander demands obedience. He intends to claim me, train me, and turn me into his perfect little pleasure trophy. He doesn't believe in love. I don't believe in giving in without a fight. There's no amount of discipline or ecstasy that could break me to his will... I hope. Alien Captive is a hot alien abduction romance, starring one feisty human and the Tsenturion Warrior strong enough to master her. Disclaimer: the authors are not responsible for any actual alien abductions that may result should you purchase this book.

Recently jobless and homeless, now I've been kidnapped by aliens. I thought my day couldn't get any worse... until the disgusting Orkun warlords who abducted me tell me I'm meant to be a "bride" for their commander. No! No freaking way. But before I can figure out a way off this spaceship, I find myself caught in the middle of an uprising by their other captives: a breathtakingly masculine gladiator race called Kalixians. With their bronze skin, horns, and rippling muscles, the Kalixians look like gods. Their leader, Tordax, is the most stunning of all. His touch sets off fireworks in my body, and I'm drawn to him in a way I can't understand-especially considering we don't even speak the same language. But am I really safer now, or have I just traded one captor for another? What does this powerful alien want with me? And why does he keep looking at me like I'm his? Claimed is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a sassy heroine who finds her courage in space, and a possessive alpha hero who would do anything to protect his fated mate. If you like sexy aliens, sweeping adventure, and steamy romance, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed! Fated Mates of the Kalixian Warriors series: Book 1: Claimed (Rose & Tordax) Book 2: Seized (Harper & Malav) Book 3: Rescued (Autumn & Sorsir) Book 4: Bound Book 5: Broken
