"Aloud! Voices from the Nuyorican Poets Café" Holman and Algarin were co-editors of the anthology entitled "Aloud! Voices from the Nuyorican Poets Café." Published in 1994, "Aloud!" was a winner of the 1994 American Book Award from the Before Columbus Foundation. Bowery Poetry Club

~~Bob Holman - Wikipedia~~

The vitality of [Aloud] is conspicuous even when its anarchy causes some impatience. A maximalist poetry--compounded of emotional drive, visceral detail, real-life words and rhythms--offers something vigorous even when it reads as virtually unedited. The voices collected (more than 100) are challenging." ?Publishers Weekly

A multicultural selection of contemporary poems by Puerto Rican and other poets who meet at the Nuyorican Poets Cafe in New York City

"A collection of poems in a new street-born language, Nuyorican; a dynamic English-Spanish contrapunctal expression of the anger and aspirations of the Puerto Rican. English nouns function as verbs. Spanish verbs function as adjectives. Raw life needs raw verbs and nouns to express the action and to name the quality of the experience."--Jacket.

A collection of poems that is both autobiographical and a portrait of life in New York's Lower East Side

Poetry Nation is a compelling overview of all the movements in current "alternative" poetries, with special attention to women, gay, Black, Asian, and indigenous writers. Major figures are presented alongside the most exciting younger voices. The anthology features Allen Ginsberg's last poem, a never-collected poem by Evelyn Lau, and a newly-discovered love poem by Ian Stephens. One hundred cutting-edge poets including Sandra Cisneros, Bill Bissett, Clifton Joseph, Ras Baraka, Stan Rogal, Steven Heighton, Lynn Crosbie, Robert Priest, Nicole Blackman, David McGimpsey, Louise Bak, Golda Fried, and Hal Sirowitz. -- distributor's website.

Since the 1960s, Nuyorican poets have explored and performed Puerto Rican identity both on and off the page. Emerging within and alongside the civil rights movements of the 1960s, the foundational Nuyorican writers sought to counter the ethnic/racial and institutional invisibility of New York City Puerto Ricans by documenting the reality of their communities in innovative and sometimes challenging ways. Since then, Nuyorican poetry has entered the U.S. Latino literary canon and has gained prominence in light of the spoken-word revival of the past two decades, a movement spearheaded by the Nuyorican Poetry Slams of the 1990s. Today, Nuyorican poetry engages with contemporary social issues such as the commodification of the body, the institutionalization of poetry, the gentrification of the barrio, and the national and global marketing of identity. What has not changed is a continued shared investment in a poetics that links the written word and the performing body. The first book-length study specifically devoted to Nuyorican poetry, *In Visible Movement* is unique in its historical and formal breadth, ranging from the foundational poets of the 1960s and 1970s to a variety of contemporary poets emerging in and around the Nuyorican Poets Cafe "slam" scene of the 1990s and early 2000s. It also unearths a largely unknown corpus of poetry performances, reading over forty years of Nuyorican poetry at the intersection of the printed and performed word, underscoring the poetry's links to vernacular and Afro-Puerto Rican performance cultures, from the island's oral poets to the New York sounds and rhythms of Latin boogaloo, salsa, and hip-hop. With depth and insight, Urayoán Noel analyzes various canonical Nuyorican poems by poets such as Pedro Pietri, Victor Hernández Cruz, Miguel Algarín, Miguel Piñero, Sandra María Esteves, and Tato Laviera. He discusses historically overlooked poets such as Lorraine Sutton, innovative poets typically read outside the Nuyorican tradition such as Frank Lima and Edwin Torres, and a younger generation of Nuyorican-identified poets including Willie Perdomo, María Teresa Mariposa Fernández, and Emanuel Xavier, whose work has received only limited critical consideration. The result is a stunning reflection of how New York Puerto Rican poets have addressed the complexity of identity amid diaspora for over forty years.

*Bum Rush the Page* is a groundbreaking collection, capturing the best new work from the poets who have brought fresh energy, life, and relevance to American poetry. "Here is a democratic orchestration of voices and visions, poets of all ages, ethnicities, and geographic locations coming together to create a dialogue and to jam—not slam. This is our mouth on paper, our hearts on our sleeves, our refusal to shut up and swallow our silence. These poems are tough, honest, astute, perceptive, lyrical, blunt, sad, funny, heartbreaking, and true. They shout, they curse, they whisper, and sing. But most of all, they tell it like it is." —Tony Medina, from the Introduction

Offering a comprehensive collection of Puerto Rican poetry in English, this text includes the work of 64 poets, as well as selections from Puerto Rico's tradition of popular verse forms - coplas, decimas, bombas - produced by anonymous writers.

"Poetry of Resistance" offers a poetic call for tolerance, reflection, reconciliation, and healing. Bringing together more than eighty writers, the anthology powerfully articulates the need for change and the primacy of basic human rights.

The Nuyorican Poets Café has for the past forty years provided a space for multicultural artistic expression and a platform for the articulation of Puerto Rican and black cultural politics. The Café's performances—poetry, music, hip hop, comedy, and drama—have been studied in detail, but until now, little attention has been paid to the voices of its women artists. Through archival research and interview, *Nuyorican Feminist Performance* examines the contributions of 1970s and '80s performeras and how they challenged the Café's gender politics. It also looks at recent artists who have built on that foundation with hip hop performances that speak to contemporary audiences. The book spotlights the work of foundational artists such as Sandra María Esteves, Martita Morales, Luz Rodríguez, and Amina Muñoz, before turning to contemporary artists La Bruja, Mariposa, Aya de León, and Nilaja Sun, who infuse their poetry and solo pieces with both Nuyorican and hip hop aesthetics.
