From the leading independent travel and style magazine Cereal comes Cereal City Guide: Paris: a portrait of the French capital offering a finely curated edit on what to see and do for discerning travelers and locals alike. Rich Stapleton and Rosa Park, Cereal ' s founders, travel extensively for the magazine and were inspired to create a series of city guides that highlighted their favorite places to visit. Now, after building a loyal readership that counts on their unique, considered advice, they are relaunching the books with a fresh design and new content. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal ' s values in both quality and aesthetic sensibility. Rich and Rosa have personally visited hundreds of venues in Paris, distilling their preferred locales down to their firm favorites. From lively, local-filled caf é s to design-driven boutiques that channel the inimitable Parisian savoir faire, these are the finds that that will offer a more personal take on the city. Meticulously researched and illustrated with original photography, each guide includes: photo essays of striking images of the city an illustrated neighborhood map interviews and essays from celebrated locals such as Patrick Seguin of Galerie Patrick Seguin, artist Frédéric Forest, and more lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy an itinerary for an ideal day in Paris Cereal City Guide: Paris is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, restaurants, and shops. Also, check out Cereal City Guide: London and Cereal City Guide: New York.

From the leading independent travel and style magazine Cereal comes Cereal City Guide: New York: a portrait of the Empire City offering a finely curated edit on what to see and do for discerning travelers and locals alike. Rich Stapleton and Rosa Park, Cereal ' s founders, travel extensively for the magazine and were inspired to create a series of city guides that highlighted their favorite places to visit. Now, after building a loyal readership that counts on their unique, considered advice, they are relaunching the books with a fresh design and new content. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal ' s values in both quality and aesthetic sensibility. Rich and Rosa have personally visited hundreds of venues in New York, distilling their preferred locales down to their firm favorites. From the inspired boutiques which reflect that distinctive New Yorker eclecticism to the local restaurants that feed them, these are the finds that that will offer a more personal take on the city. Meticulously researched and illustrated with original photography, each guide includes: photo essays of striking images of the city an illustrated neighborhood map interviews and essays from celebrated locals, such as chef Camille Becerra, shop owner Kai Avent-deLeon, and more lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy an itinerary for an ideal day in New York Cereal City Guide: New York is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, restaurants, and shops. Rich Stapleton and Rosa Park, Cereal's founders, have built a loyal readership that counts on their unique, considered advice. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal's values in both quality and aesthetic sensibility. Rich and Rosa have personally visited hundreds of venues in Los Angeles, distilling their preferred locales down to their firm favorites. From the laid-back excellence of its food scene, brimming with fresh produce, to elegant hotels imbued with the glamor of Old Hollywood, these are the finds that offer a more personal take on the sprawling, energetic city. Meticulously researched and illustrated with original photography, each guide includes: photo essays of striking images of the city an illustrated neighborhood map interviews and essays from celebrated locals such as Amanda Chantal Bacon of Moon Juice and Mary Kate and Ashley Olsen of The Row lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy an itinerary for an ideal day in Los Angeles Cereal City Guide: Los Angeles is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, hotels, restaurants, and shops. Also, check out Cereal City Guide: Copenhagen, Cereal City Guide: Paris, Cereal City Guide: New York, and Cereal City Guide: London.

In The Kinfolk Entrepreneur, author Nathan Williams introduces readers to 40 creative business owners around the globe, offering an inspiring, in-depth look behind the scenes of their lives and their companies. Pairing insightful interviews with striking images of these men and women and their workspaces, The Kinfolk Entrepreneur makes business personal. The book profiles both budding and experienced entrepreneurs across a broad range of industries (from fashion designers to hoteliers) in cities across the globe (from Copenhagen to Dubai). Readers will learn how today ' s industry leaders handle both their successes and failures, achieve work-life balance, find motivation in the face of adversity, and so much more.

New York Times bestseller When The Kinfolk Table was published in 2013, it transformed the way readers across the globe thought about small gatherings. In this much-anticipated follow-up, Kinfolk founder Nathan Williams showcases how embracing that same ethos—of slowing down, simplifying your life, and cultivating community—allows you to create a more considered, beautiful, and intimate living space. The Kinfolk Home takes readers inside 35 homes around the world, from the United States, Scandinavia, Japan, and beyond. Some have constructed modern urban homes from blueprints, while others nurture their home ' s long history. What all of these spaces have in common is that they ' ve been put together carefully, slowly, and with great intention. Featuring inviting photographs and insightful profiles, interviews, and essays, each home tour is guaranteed to inspire.

Experienced artists looking to master a new medium will relish this comprehensive guide to using colored pencils by the author of How to Color Like an Artist. Step-by-step demonstrations with photos and directions explain shading, blending, color theory, more.

Kinfolk Issue Eighteen: For our winter edition, we explore the relationship between community and design. How can design strengthen bonds with our families, friends and neighbors? And how can good design improve our quality of life? Design is a type of communication. It ' s about the way an object or idea speaks to its audience. But good design not only gets its message across—it also engages us in a conversation. The voices in this issue ' s pages have taught us that there ' s no set of rules that govern what constitutes " good design. " Form doesn ' t have to follow function, function doesn ' t have to follow form—in fact, there shouldn ' t be any following at all, only leading.

A world without plants is a world without life, both literally and figuratively. Besides forming the very basis of human survival on Earth, they are also an important source of creative inspiration, ingenuity, and expression. From scientific explorers like Sir Joseph Banks who travelled across the globe in search of never-seen before species to impressionist painters like Édouard Manet who sought to capture the subtle beauty of everyday objects, many artists and illustrators have used flora as a powerful means to convey the essence of our very existence. Botanical Inspiration is a timeless collection of artwork and illustrations that feature flora and its many facets through a variety of visual concepts, styles, and techniques. It speaks to lovers of both nature and creativity as a universal language in itself, thoughtfully interpreted by some of today's most intriguing and interesting talents.

A wanderlust-inspiring and transporting collection of photos from some of the world's most astounding places, organized thematically—vistas, sunrises and sunsets, city streets and urban life, tropical jungles, dramatic architectural facades, food stalls and restaurants, and more—from the premier online curator of travel photography. As much an armchair travel companion as a guide to planning your next trip, My Tiny Atlas contains more than 200 lush, surprising, and stunning photos, along with stories about far-flung locales and tips for experiencing a new location like a local. From Tiny Atlas Quarterly—one of the most trusted sources for authentic, unusual, and inspiring travel photography—this book takes you to every continent and all corners of the world, from Paris, San Francisco, London, and Buenos Aires to the Arctic Circle, Tanzania, Tahiti, and Mongolia. My Tiny Atlas visually explores new destinations with an intimate, insider's view—not of the usual monuments and tourist attractions, but of the real people, mouth-watering food, verdant flora, bustling streets, wild animals, epic views, lazy rivers, architectural gems, and other details that make you feel what it's like to truly be in another place, whether or not you ever leave home.

With over 200 recipes and 60 rituals, Well Being is divided into time-specific sections, taking you through the day from morning to evening, with each section offering harmonising practices and recipes for specific feelings, moods and situations. With tips on food and mindful living, Danielle guides you through simple rituals such as breathwork (Pranayama), meditation and yoga postures, and offers delicious, all-natural recipes such as Date, Almond and Orange Blossom Bircher, Cassava Bagels and White Bean Carbonara as well as basic pantry staples such as Almond Cashew Mayonnaise, Kombucha and Sauerkraut. There are also recipes for your home, such as Coconut Oil Candles and a Calming Essential Oil Atmosphere Spray, alongside natural beauty treatments such as Wake Up Well Brightening Face Spritz. With this unique collection of recipes and rituals, you can explore exactly what helps you to live and function well and take whichever parts of Danielle's advice that fits into your life. @dcopperman (Instagram)
