Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

USA's historie fra 1450-1877 samt kolonisationen af Amerika. Medtager kildekrifter af historisk interesse fra perioden

1968: The World Transformed presents a global perspective on the tumultuous events of the most crucial year in the era of the Cold War. By interpreting 1968 as a transnational phenomenon, authors from Europe and the United States explain why the crises of 1968 erupted almost simultaneously throughout the world. Together, the eighteen chapters provide an interdisciplinary and comparative approach to the rise and fall of protest movements worldwide. The book represents an effort to integrate international relations, the role of media, and the cross-cultural exchange of people and ideas into the history of that year. 1968 emerges as a global phenomenon because of the linkages between domestic and international affairs, the powerful influence of the media, the networks of communication among activists, and the shared

opposition to the domestic and international status quo in the name of freedom and self-determination.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

Discusses the impact of Franklin Roosevelt, Robert Penn Warren, T. Harry Williams, Huey Long, Allard Lowenstein, and Oral Roberts upon American political culture

USAs historie indtil 1996

Hailed as "an extraordinary novel of men at war" (The Washington Post) this is the book that inspired the TNT television series starring Eric Dane, Rhona Mitra, Adam Baldwin and Michael Bay as Executive Producer. The unimaginable has happened. The world has been plunged into all-out nuclear war. Sailing near the Arctic Circle, the U.S.S. Nathan James is relatively unscathed, but the future is grim and Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain—one-hundred-and-fifty-two men and twenty-six women—to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are earth's last remaining survivors—and they've all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

Discusses the changes of the Progressive era, focusing on the Industrial Revolution and its effects on American society
