Briony knows she is a witch. She knows that she is guilty of hurting her beloved stepmother. She also knows that, now her stepmother is dead, she must look after her beautiful but complicated twin sister, Rose. Then the energetic, electric, golden-haired Eldric arrives in her home town of Swampsea, and everything that Briony thinks she knows about herself and her life is turned magically, dizzily, upside down.

composed of memory, music and imagination. A boy stands on the roadside on his way to London, alone in the rain. No memories, beyond what he can hold in his hands at any given moment. No directions, as written words have long since been forbidden. No parents--just a melody that tugs at him, a thread to follow. A song that says if he can just get to the capital, he may find some answers about what happened to them. The world around Simon sings, each movement a pulse of rhythm, each object weaving its own melody, music ringing in every drop of air. Welcome to the world of *The Chimes*. Here, life is orchestrated by a vast musical instrument that renders people unable to form new memories. The past is a mystery, each new day feels the same as the last, and before is blasphemy. But slowly, inexplicably, Simon is beginning to remember. He emerges from sleep each morning with a pricking feeling, and sense there is something he urgently has to do. In the city Simon meets Lucien, who has a gift for hearing, some secrets of his own, and a theory about the danger lurking in Simon's past. A stunning debut composed of memory, music, love and freedom, *The Chimes* pulls you into a world that will captivate, enthrall and inspire.

When life gets complicated, New York Times bestselling author Sherryl Woods proves family—and love—can make all the difference. Facing a personal crisis, ambitious and driven Gabriella Castle retreats to the welcoming arms of her family. Everything she's worked for has been yanked out from under her, and she seeks the serenity of her grandmother's home on the North Carolina coast. With difficult decisions to make about her future, the last thing she wants is an unexpected love. Wade Johnson fell for Gabi the first time he saw her. It's not the only time he's found himself in the role of knight in shining armor, but Gabi isn't looking for a rescuer. To get her to stay, Wade will need a whole lot of patience and gentle persuasion...and maybe the soothing sound of wind chimes on a summer breeze.

"Can you hear the bell chime?" A girl suffering from paralyzing night terrors finds a missing poster hanging from the door of her apartment building. On that poster is a photograph of a frighteningly familiar face. It's her. Only, she's never seen this photo before and something about its grin scares her. How its eyes seem to follow her no matter where she finds herself in the room. Over a series of strange events to follow--events that will make her question whether her sanity is still there or fleeting--she must discover: What is real and what is the nightmare? *The Bell Chime* is the disturbing, psychological novella debut from Mona Kabbani. Slated for publication on September 2nd, 2020, the *Full Corn Moon*. About the Author Mona Kabbani is a horror fan, writer, and reviewer obsessed with psychology and the human condition. She emulates the conflict of the good versus the bad and all of the in between in her work while providing an entertainingly horrifying experience. She is a Lebanese immigrant living the American dream in New York City where much of her writing is inspired. Expert clockmaker Ruth Clagan has another murder on her hands in the third *Clock Shop Mystery* from the author of *Clock and Dagger*. Years ago, the serenity of picturesque Orchard, Massachusetts, was shattered by a fire that destroyed the town's beloved clock tower. Ruth inherited the dream of repairing it from her late grandfather. Now that she's returned home to run his clock shop, the *Cog & Sprocket*, she's determined to make it happen, despite wrenches that are being thrown into the works by her least favorite person, town manager Kim Gray. A crowd of residents and visitors are excited to see the progress of the tower at a fund-raiser for the campaign, until Kim is found crushed

under the tower's bell, putting an end to all the fun. The list of suspects is so long it could be read around the clock, and it includes some of Ruth's nearest and dearest. Time's a-wastin' as Ruth tries to solve another murder in her beloved Orchard while keeping the gears clicking on her dream project.

The Chinese made the world's first bronze chime-bells, which they used to perform ritual music, particularly during the Shang and Zhou dynasties (ca. 1700-221 B.C.). Lothar von Falkenhausen's rich and detailed study reconstructs how the music of these bells—the only Bronze Age instruments that can still be played—may have sounded and how it was conceptualized in theoretical terms. His analysis and discussion of the ritual, political, and technical aspects of this music provide a unique window into ancient Chinese culture. This is the first interdisciplinary perspective on recent archaeological finds that have transformed our understanding of ancient Chinese music. Of great significance to the understanding of Chinese culture in its crucial formative stage, it provides a fresh point of departure for exploring later Asian musical history and offers great possibilities for comparisons with music worldwide.

"Part mystery, part fantasy, this beautifully-written page turner explores guilt, mercy, and love."—New York Times bestselling author Holly Black Briony has a secret. It is a secret that killed her stepmother, ruined her sister's mind, and will end her life, if anyone were to know. She has powers. Then Eldric comes along with his golden lion eyes and a great mane of tawny hair. He is as natural as the sun, and he treats her as if she is extraordinary. And everything starts to change . . .
