Examples are: -- lined journals -- dot grid journals -- adult coloring books -- recipe books -- prompt books -- password books -- food tracking logs -- gratitude journals The Low Content Book Planner is a low content book too! **BOOK PLANNING** Though there's not a lot of writing involved, you still need to take time to plan your book. The Low Content Book Planner will help you with that. It provides a central location for you to: -- brainstorm book ideas -- record the book details (title, subtitle, trim size, font, print options, and more!) -- list your keyword criteria and keywords -- take notes from the customer review section of competing books -- identify your target audience -- write the book description -- sketch the interior pages & book cover The 8" x 10" book is large enough to write down your low content book details, yet it's small enough to carry in your laptop case! This book is for book writers that like taking handwritten notes, struggle with keeping their computer files organized, and need a quick way to look up their book details.
