author, aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted, presents the reader with four distinct interpretive models.

These are the idealist, preterist, historicist, and futurist. Beville explains these interpretive approaches simply and

critiques them fairly.

Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor. However, this easy-to-read work will take readers to the heart of the matter by taking them to the heart of Jesus. The historical and cultural background provides fascinating insights to the meaning

of Christ's words to those churches then and to all churches now. The author elicits essential application for the church today. He presents timeless and timely truths in a fresh and forthright manner. The reader is informed about issues of particular historical significance in a way that has contemporary

resonance. Here is a work that cautions about complacency, confronts compromise and challenges the carnality of Christians in contemporary culture. Beville tells us not only what Jesus desires from his disciples but also what He demands. Thus, this work presents uncomfortable truth for comfortable churches
