Nazi Germany. Nora Krug was born decades after the fall of the Nazi regime, but the Second World War cast a long shadow over her childhood and youth in the city of Karlsruhe, Germany. Yet she knew little about her own family's involvement; though all four grandparents lived through the war, they never spoke of it. After twelve years in the US, Krug realizes that living abroad has only intensified her need to ask the questions she didn't dare to as a child. Returning to Germany, she visits archives, conducts research, and interviews family members, uncovering in the process the stories of her maternal grandfather, a driving teacher in Karlsruhe during the war, and her father's brother

Franz-Karl, who died as a teenage SS soldier. In this extraordinary quest, "Krug erases the boundaries between comics, scrapbooking, and collage as she endeavors to make sense of 20th-century history, the Holocaust, her German heritage, and her family's place in it all" (The Boston Globe). A highly inventive, "thoughtful, engrossing" (Minneapolis Star-Tribune) graphic memoir, *Belonging* "packs the power of Alison Bechdel's *Fun Home* and David Small's *Stitches*" (NPR.org).

Germans have been one of the most mobile and dispersed populations on earth. Communities of German speakers, scattered around the

Read Online Eimat What S That Eimat Ist Ein

globe have long believed they could recreate their Heimat (homeland) wherever they moved, and that their enclaves could remain truly German. Furthermore, the history of Germany is inextricably tied to Germans outside the homeland who formed new communities that often retained their Germanness. Emigrants, including political, economic, and religious exiles such as Jewish Germans, fostered a nostalgia for home, which, along with longstanding mutual ties of family, trade, and culture, bound them to Germany. The Heimat Abroad is the first book to examine the problem of Germany's long and complex relationship to ethnic Germans outside its national borders.

Read Online Eimat What S That Eimat Ist Ein

Beyond defining who is German and what makes them so, the book reconceives German identity and history in global terms and challenges the nation state and its borders as the sole basis of German nationalism. Krista O'Donnell is Associate Professor of History, William Paterson University. Nancy Reagin is Professor of History, Pace University. Renete Bridenthal is Emerita Professor of History, Brooklyn College of the City University of New York.

Examines changing attitudes among Germans as evident in films of the modern German era, leading away from guilt and atonement and seeking national identity.

Read Online Eimat What S That Eimat Ist Ein Seltsames Ort S Ist

The history of spatial identities in the Third Reich is best approached not as the history of a singular ideology of place, but rather, as a history of interrelated spaces. National Socialists, it is clear, attached great importance to place: it was at the heart of their utopian political project, which was about re-making territories as well as people's relationships with them. But in this project, Heimat, region and Empire did not constitute separate realms for political interventions. Rather, in the Third Reich, as in the preceding periods of German history, Heimat, region and Empire were constantly imagined, constructed and re-moulded through their

Read Online Eimat What S That Eimat Ist Ein

relationship with one another.

This collection brings together an exciting mixture of international scholars who are currently pursuing cutting-edge research on spatial identities under National Socialism. They uncover more differentiated spatial imaginaries at the heart of Nazi ideology than were previously acknowledged, and will fuel a growing scepticism about generic national narratives.

A new analysis of one of the most loaded terms in the German language: Heimat, or Homeland.

Charting the development of the 'Heimatfilm', Johannes von Moltke focuses on its heyday in the 1950s. Questions of what it could mean to call the German nation

Read Online Eimat What S That Eimat Ist Ein

'home' after World War II are present in these films and Moltke uses them as a lens to view contemporary discourses on German national identity.

This collection brings together international scholars pursuing cutting-edge research on spatial identities under National Socialism. They demonstrate that the spatial identities of the Third Reich can be approached as a history of interrelated dimensions; Heimat, region and Empire were constantly reconstructed through this interrelationship.

The concept of Heimat with its seemingly pre- or anti-modern connotations of rootedness in a

Read Online Eimat What S That Eimat Ist Ein

place of origin is central to a critical understanding of German history and culture. Over the course of the past fifteen years, scholars across a range of disciplines have found new ways to examine the changing notions of Heimat – its multifaceted cultural, literary, and visual history, its gendered connotations, and its national and ideological appropriations. This anthology is the first to examine cultural manifestations of Heimat by giving special consideration to issues of memory and space. The contributions to this volume challenge static notions of place often associated with Heimat. Instead, they explore the social and cultural production of places of belonging as they emerge in

Read Online Eimat What S That Eimat Ist Ein

literary and visual narratives ranging from 1800 to 2000 and beyond. Although the anthology includes historical perspectives on Heimat, its overall objective is not to trace its cultural or literary history, but to place this complex term into new conceptual contexts. Drawing attention to manifestations of Heimat within German literary and cultural studies provides a rich ground for exploring the transformation of locality in trans/national contexts.

In the decades between German unification and the demise of the Weimar Republic, German Jewry negotiated their collective and individual identity under the impression of legal emancipation, continued antisemitism, the

Read Online Eimat What S That Eimat Ist Ein

emergence of Zionism and Socialism, the First World, and revolution and the republic. For many German Jews liberalism and also increasingly Socialism became attractive propositions. Yet conservative parties and political positions right-of-center also held appeal for some German Jews. Between Heimat and Hatred studies German Jews involved in ventures that were from the beginning, or became increasingly, of the Right. Jewish agricultural settlement, Jews' participation in the so-called "Defense of Germandom in the East", their place in military and veteran circles and finally right-of-center politics form the core of this book. These topics created a web of social activities and

Read Online Eimat What S That Eimat Ist Ein

political persuasions neither entirely conservative nor entirely liberal. For those German Jews engaging with these issues, their motivation came from sincere love of their German Heimat—a term for home imbued with a deep sense of belonging—and from their middle-class environment, as well as to repudiate antisemitic stereotypes of rootlessness, intellectualism or cosmopolitanism. This tension stands at the heart of the book. The book also asks when did the need for self-defense start to outweigh motivations of patriotism and class? Until when could German Jews espouse views to the right of the political spectrum without appearing extreme to either Jews or non-

Read Online Eimat What S That Eimat Ist Ein

Jews? In an exploration of identity and exclusion, Philipp Nielsen locates the moments when active Jewish members of conservative projects became the radical other. He notes that the decisive stage of the transformation of the German Right occurred precisely during a period of republican stabilization, when even mainstream right-of-center politics abandoned the state-centric, Volk-based ethnic concepts of the Weimar republic. The book builds on recent studies of Jews' relation to German nationalism, the experience of German Jews away from the large cities, and the increasing interest in Germans' obsession with regional roots and the East. The study follows these lines of

Read Online Eimat What S That Eimat Ist Ein

Inquiry to investigate the participation of some German Jews in projects dedicated to originally, or increasingly, illiberal projects. As such it shines light on an area in which Jewish participation has thus far only been treated as an afterthought and illuminates both Jewish and German history afresh.

"This elegant and original study adds greatly to our understanding of national and regional identities in modern German history and the ways that these were constructed. It is imaginatively researched, intelligently argued, and written with panache. A Nation of Provincials is a major historical work that has much to contribute to larger contemporary
