Four English children find a wonderful world of magic through an enchanted wishing ring.

THE ENCHANTED CASTLE By E. NESBIT The story takes place in England near the beginning of the twentieth century. The Enchanted Castle is not your average fairytale. In fact, it was the first of it's kind. The action is fast-paced and imaginative, ranging from comic to terrifying, from adventurous to mystical. The Enchanted Castle is beautiful and intricate, with a compelling narrative, appealing characters, and a masterful blend of magic and realism. Three young people, two brothers and a sister, find themselves unable to go home for the school holidays and instead must stay at the girl's school. To avoid boredom they go exploring and come upon what appears to be an enchanted castle... ILLUSTRATIONS BY H. R. MILLAR

A verse retelling of "Sleeping Beauty" is nestled in a three-dimensional book that unfolds into the shape of a castle, which features architectural nooks and crannies, crenulated roofs, and die-cut windows.

The Enchanted Castle is a novel for young readers by Edith Nesbit, who was writing in the late Victorian and early Edwardian era in Britain. As in her other children ' s books, it begins in the everyday world but quickly brings in the fantastical and magical. A large part of the delight of Nesbit ' s books is that her children behave in quite ordinary ways, getting into scrapes, getting dirty and their clothes torn, making decisions which seem right to them at the time but which are generally wrong-headed. It ' s the contrast between the ordinariness of the children and the magical adventures they become involved in which makes the books so charming. The Enchanted Castle was originally serialized in The Strand Magazine alongside stories by Rudyard Kipling and Arthur Conan Doyle. The first book edition was published in 1907. In the story, Kathleen and her brothers Gerald and Jimmy find a way into a remarkable garden designed to create a Palladian landscape, full of statues and pseudo-Classical temples and buildings. It is not long before they come across a sleeping Princess. They wake her, and she introduces them to an item of real magical value, a ring which makes its wearer invisible. But once on, the ring won ' t come off! " Those of my readers who have gone about much with an invisible companion will not need to be told how awkward the whole business is, " comments the author, which is indicative of the simple and direct language she uses, and the humor of the books. Even the invisibility ring, however, is not quite as simple as it seems; and many interesting and amusing adventures follow. The magazine serialization and the first book edition of the novel was beautifully illustrated by H. R. Millar, and we have included reproductions of these illustrations in this Standard Ebooks edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

~~~~~

When Jerry, Jimmy and Cathy discover a tunnel that leads to a castle, they pretend that it is enchanted. But when they discover a Sleeping Princess at the centre of a maze, astonishing things begin to happen. Amongst a horde of jewels they discover a ring that grants wishes.

Goofy's kindness to animals pays off when he is ordered to do three impossible tasks to save a castle and its inhabitants from a spell.

A world of enchanted castles to color - including hidden objects to find! Debut artist Fabiana Attansio has created a spectacular book of intricate and imaginative castles to color, along with hidden objects to seek and find. This incredibly detailed and beautiful coloring book will appeal to serious colorists who are looking to escape to a magical world.

Gerald, Cathy and Jimmy are out exploring when they discover an enchanted castle. Even better, they meet a princess who says she has a ring of invisibility. But how much is she making up - and how much is pure magic?
