footsteps of these two monks, providing along the way a moving elegy to the slowly dying civilization of Eastern Christianity and to the people who are struggling to keep its flame alive. The result is Dalrymple's unsurpassed masterpiece: a beautifully written travelogue, at once rich and scholarly, moving and courageous, overflowing with vivid characters and hugely topical insights into the history, spirituality and the fractured politics of the Middle East.

Nicodemus (1749-1809), a monk of Saint Athos dedicated to asceticism and learning, was one of the most influential Orthodox writers of the last two centuries. His Handbook, written during the Age of Enlightenment in Europe, shares an exalted vision of human nature, but a vision that proceeds from the truths of revelation as interpreted by the Greek Fathers, not Descartes.

In his third book William Dalrymple has dug deep to present the case of the Middle East's downtrodden Christians. More hard-hitting than either of his previous books, *From the Holy Mountain* is driven by indignation. While leavened with his characteristic jauntiness and humour, it is also profoundly shocking. Time and time again in the details of Dalrymple's

The sense of unsung tragedy accumulates throughout the chapters of this book&From the Holy Mountain is the most rewarding sort of travel book, combining flashes of lightly-worn scholarship with a powerful sense of place and the immediacy of the best journalism. This treasury of personal counsels and homilies given by Elder Ephraim clearly delineates the Patristic path to sanctification. In "Counsels from the Holy Mountain" he gives advise on every aspect of the spiritual struggle with insight acquired from his experience as a monk for more than fifty years and as the spiritual father of thousands of clergy, monastics, and laymen.

Alejandro Jodorowsky's El Topo helped inaugurate the midnight movie phenomenon. Its success spawned The Holy Mountain, through interventions by John Lennon and Allen Klein. After a scandalous release and a 16-month midnight career, The Holy Mountain was relegated to the underground world of fan bootlegs for over thirty years until its limited restored release in 2007. This short study reveals how The Holy Mountain, a poetic, hilarious, and anarchist cult film by an international auteur, anchored in post-1968 critiques, is – at the same time – an archaeological capsule of the counterculture movement, a timely subversion of mystical tenets, and one of the most mysterious films in the history of world cinema.

The year is 1905 and Powerscourt is sent to Ireland to investigate a series of art thefts from stately houses. Motive troubles Powerscourt; were these robberies merely for gain? A number of Old Masters had been left untouched and the ones taken were all ancient family portraits of the aristocratic Protestant gentry. Are these thefts political? Then, astonishingly, some of the portraits begin to return - but with altered faces; the aristocrats' being replaced by those from the estates and towns beyond the gates. Truly an elaborate joke, but then real people begin to disappear - and not long after the first body is found in the chapel at the top of Croagh Patrick, Ireland's Holy Mountain on the very day 10,000 people make the great pilgrimage to the summit. More follow, and as Powerscourt makes his way towards the killer his own life comes under threat, while his patriotism, and his devotion to Ireland is called into question on his journey towards the truth.
