supplementing it with additional material, and/or to concentrate on an area of specialization.

Concise and clear. This text provides the flexibility that instructors want and the accessibility that students need. A streamlined approach allows instructors flexibility in the way the course is taught without sacrificing essential content, while providing students with a solid foundation of essential business law concepts. This thoroughly updated third edition provides a succinct and economical approach to Canadian Business Law. Note: If you are purchasing an electronic version, MyBusLawLab does not come automatically packaged with it. To purchase MyBusLawLab, please visit MyBusLawLab or you can purchase a package of the physical text and MyBusLawLab by searching for ISBN 10: 013291087X / ISBN 13: 9780132910873.

The key words for this text are: "clear, concise and relevant". Most students taking this course are not going to be lawyers and therefore the emphasis is on a strong business orientation. Key features and competitive advantages include additional core topics such as risk management, negligence, and intellectual property. Case material has also been integrated into each chapter to illustrate the key topics and is presented in summary format as well as in hypothetical examples. Numerous features within the text demonstrate business law to students in a real world context. This text will assist and guide the entrepreneurial student who is aiming to start a business and needs the legal knowledge to avoid pitfalls.

(Black & White version) Fundamentals of Business was created for Virginia Tech's MGT 1104 Foundations of Business through a collaboration between the Pamplin College of Business and Virginia Tech Libraries. This book is freely available at: <http://hdl.handle.net/10919/70961> It is licensed with a Creative Commons-NonCommercial ShareAlike 3.0 license.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.
