No marks awarded as neither answer corresponds to the mark scheme. While trumpets is given in the answer, the mark scheme requires 'brass' to be awarded a mark. However two marks are awarded as 'steady crotchet' equals 'steady pulse' from the mark scheme and 'percussion' is correct. Student exemplar responses GCSE Music Appraising paper 8

WHAT OTHER PEOPLE ARE SAYING ABOUT THE MINDFUL ENGLISH TEACHER "I found the book really helpful, as a person who has struggled with anxious thoughts in the past, I've found it has helped me process those in a mindful way that has left me with more confidence. I like how the book is very accepting of different teaching styles and differentiates between by using different teaching voices in the book. I found the book accessible and the writing was easy to read. It was an engaging read as well as an educational one." An English teacher. "This book is basically a 'go to' book for student teachers. It is easy to read and detailed, which alongside Francis Gilbert's study guides really sets student teachers on the road to success. Thanks Francis!" Chloe Charles, PGCE English teacher. "I think mindfulness, planning, reciprocal reading, all discussed at length in the book, have been effective tools in developing my pedagogy and are methods I will definitely use in my teaching. I think the book is an excellent introduction to teaching English and makes the theory and learning easy and accessible." An English teacher. "A useful guide for both new and experienced teachers who want to excel." An English teacher. "A great read with so many useful tips and tasks. It made me step back and reflect easily on my practice." An English teacher. "This book looks at English teaching in a refreshing and non-intimidating manner. It is inclusive for all training and qualified teachers with a clear structure that encourages passionate and creative teaching in modern schools." Sarah Stevens, PGCE English teacher. In need of some inspiration? Are you feeling you're losing your mojo? This is the ultimate guide for English teachers in the 21st century because it not only offers advice about the content, skills and strategies necessary to become an effective English teacher but also provides invaluable help in dealing with the stresses and strains of the job. The well-being of students and teachers are seen as integral to outstanding teaching and learning. The Mindful English Teacher is jam-packed with creative ways to be happy and productive on the job: it is full of useful meditations, creative visualisations and activities which not only make being an English teacher fun but also with its moments of relaxation. It is undergirded with a firm grounding in theory and evidence-based practice, which is explored in the form of lively scripts, real-life conundrums & audits. The scripts can be read by groups of teachers, making the book ideal to use for school-based CPD or Initial Teacher Education. This unique guide aims to inject a genuine sense of joy into one of the most challenging jobs in teaching, using techniques that have been proven to work in a wide range of educational settings.

Written for the OCR A/AS Level Computer Science specifications for first teaching from 2015, this print student book helps students build their knowledge and master underlying computing principles and concepts. The student book develops computational thinking, programming and problem-solving skills. Suitable for all abilities, it puts computing into context and gives students a real-life view on professional applications of computing skills. Answers to end-of-chapter questions are located in the free online teacher's resource. A Cambridge Elevate enhanced edition is also available.
