It is the story of a soldier who unwittingly finds himself on Earth's first colony ship. The story is about the set up of the colony on a new planet, not the one they thought they were heading for. It covers exploration and the planet's species but mainly about the setup of a search and rescue department.

work led to the discovery of other worlds beyond the known universe. It became clear that many of those worlds had been attacked by an interdimensional invader that left untold amounts of manipulation, hardship, and annihilation in its wake. It's only a matter of time before the colony becomes the next target. When a trusted ally requests
