The author, a diocesan director of marriage and family life, answers the questions about human sexuality and marriage that he always encounters in the numerous adult audiences he addresses. He provides thoughtful responses that present Catholic Church teaching in a fresh, thoroughly appealing, and convincing manner.

“After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now...”—Carol Dweck, author of *Mindset: The New Psychology of Success* Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. The All-or-Nothing Marriage reverse engineers fulfilling marriages—from the “traditional” to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discover, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and

Read Book Good News About Marriage Answers To Your Honest Questions About responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try "lovehacks."

This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

One of the greatest and best-loved spokesmen for the Faith here sets out the Church's beautiful understanding of marriage in his trademark clear and entertaining style. Frankly and charitably, Sheen presents the causes of and solutions to common marital crises, and tells touching real-life stories of people whose lives were transformed through marriage. He emphasizes that our Blessed Lord is at the center of every successful and loving marriage. This is a perfect gift for engaged couples, or for married people as a fruitful occasion for self-examination.

Lies meets Presumed Innocent in this “irresistible domestic drama” (Washington Post) from the New York Times bestselling author of *Reconstructing Amelia*, in which a woman’s brutal murder reveals the perilous compromises some couples make—and the secrets they keep—in order to stay together. Lizzie Kitsakis is working late when she gets the call. Grueling hours are standard at elite law firms like Young & Crane, but they’d be easier to swallow if Lizzie was there voluntarily. Until recently, she’d been a happily underpaid federal prosecutor. That job and her brilliant, devoted husband Sam—she had everything she’d ever wanted. And then, suddenly, it all fell apart. No. That’s a lie. It wasn’t sudden, was it? Long ago the cracks in Lizzie’s marriage had started to show. She was just good at averting her eyes. The last thing Lizzie needs right now is a call from an inmate at Rikers asking for help—even if Zach Grayson is an old friend. But Zach is desperate: his wife, Amanda, has been found dead at the bottom of the stairs in their Brooklyn brownstone. And Zach’s the primary suspect. As Lizzie is drawn into the dark heart of idyllic Park Slope, she learns that Zach and Amanda weren’t what they seemed—and that their friends, a close-knit group of fellow parents at the exclusive Brooklyn Country Day school, might be protecting troubling secrets of their own. In the end, she’s left wondering not only whether her own marriage can be saved, but

Catholic Book Summaries presents 54 summaries of Catholic books in a concise, clear, and complete manner. With so many books for Catholics to read and understand, Catholic Book Summaries is an attempt to synthesize some of the most well known traditional and contemporary classics for today's Catholics. Meant for Catholics of all ages, this book is your guide to understanding dozens of books in a fraction of the time required to read them all. This is an entire library of "must read" Catholic books condensed into one volume. These summaries of the most important Catholic thinkers of all time are not just quick facts. They distill the wisdom of our great Catholic thinkers such as Blessed Cardinal Newman, Archbishop Fulton Sheen, Scott Hahn, GK Chesterton and so many more.

A specific focus and intent of this final volume of A People's History of Christianity is to delve behind the global phenomenon of Christianity to glimpse some of the very rich and dynamic lifeways within it. Ranging over the whole century and across several continents, the scholars in this volume probe Christians' creative encounters with popular culture, liturgy and spirituality, social change and Marxism, intrareligious and interreligious dialogue, and changes in gender expectations and roles. Includes 50
