Designed for middle school teachers and students in California. Offer teachers and students a method to focus on the written and oral language convention required by the standards--to provide an effective way to teach and learn grammar, usage, and mechanics skills.

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
