Do omens and destiny play any role in our relationships and love? About the author: Nitin Vinay Khare belongs to a beautiful sleepy town of Panna, nearby world heritage site Khajuraho, famous for its tiger reserve, waterfalls and diamond mines. A Sainik School alumnus and a post graduate in management, he prefers to live an anonymous and nomadic life in search of creative inspirations for his stories, poetry and paintings. He regularly pens down his blogs upon vibrant social issues. He also runs a mural studio "De Murals". Past several years, he has

been writing series of novels; the first published work of them is *I loved a street woman*.

In this rich, well-written study, Eleanor Miller analyzes the social organization of street hustling and the lives of the women involved in it. Miller views hustling as "illegal work": prostitution, fraud, forgery, embezzlement, and larceny. Using information garnered from life histories and interviews with 64 female street hustlers in Milwaukee, she vividly describes a female underclass recruited to the world of the street for a substantial period of their lives. *Street Woman* offers a challenging alternative to recent sociological studies that view the "women's movement" as directly linked to the increasing participation of women in property crime. Miller shows that this increase in crime is a response to sustained poverty. Thus, many sociologists are out of touch with the typical female criminal in this country on both a demographic and personal level. "Typical" female hustlers, as their own words poignantly reveal, are young, poor minority women who have limited education and skills and who also have several children of their own. They adopt characteristic interpersonal relationships and familial forms that insure their survival but which leave the youngsters at greater risk of being recruited to street life. *Street Woman* is a work of great importance to sociologists and criminologists alike, both in its ramifications for public policy and its explicit implications for further research. Most important, Miller's desire to render a more personal portrait, to enable us to "at least recognize the individual in the picture painted of the group," leaves the reader with haunting portrayals of the women who struggle to survive in the violent, desperate, drug-ridden world of the street. Author note: Eleanor M. Miller is Assistant Professor of Sociology at the University of Wisconsin, Milwaukee.

existence-if he remembers it-is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep-which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every character counts, "The Things That Fall Away" is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

Five women revolutionize the modern art world in postwar America in this "gratifying, generous, and lush" true story from a National Book Award and Pulitzer Prize finalist (Jennifer Szalai, *New York Times*). Set amid the most turbulent social and political period of modern times, *Ninth Street Women* is the impassioned, wild, sometimes tragic, always exhilarating chronicle of five women who dared to enter the male-dominated world of twentieth-century abstract painting -- not as muses but as artists. From their cold-water lofts, where they worked, drank, fought, and loved, these pioneers burst open the door to the art world for themselves and countless others to come. Gutsy and indomitable, Lee Krasner was a hell-raising leader among artists long before she became part of the modern art world's first celebrity couple by marrying Jackson Pollock. Elaine de Kooning, whose brilliant mind and peerless charm made her the emotional center of the New York School, used her work and words to build a bridge between the avant-garde and a public that scorned abstract art as a hoax. Grace Hartigan fearlessly

abandoned life as a New Jersey housewife and mother to achieve stardom as one of the boldest painters of her generation. Joan Mitchell, whose notoriously tough exterior shielded a vulnerable artist within, escaped a privileged but emotionally damaging Chicago childhood to translate her fierce vision into magnificent canvases. And Helen Frankenthaler, the beautiful daughter of a prominent New York family, chose the difficult path of the creative life. Her gamble paid off: At twenty-three she created a work so original it launched a new school of painting. These women changed American art and society, tearing up the prevailing social code and replacing it with a doctrine of liberation. In *Ninth Street Women*, acclaimed author Mary Gabriel tells a remarkable and inspiring story of the power of art and artists in shaping not just postwar America but the future.

The heralded Queen of Hip-Hop Lit presents an addictive collection of celebrated urban authors with their fingers on the pulse of the streets. Street lit's finest female voices—Keisha Starr, Tysha, LaKesa Cox, and Monique S. Hall—deliver searing stories about women who make hard sacrifices to stay on top of their hustle and seize the power, money, and fame they can't live without. Enterprising and fearless, these players are more than equipped to handle whatever the street throws at them. That's because they are hellbent on survival—by any means necessary. Once again, Nikki Turner shares ultra-realistic page-turners that will keep fans coming back for more.

It is 1953. The Korean War is ending. The Eisenhower era is beginning. Patti Page and Frankie Laine sit at the top of the charts. And aspiring cartoonist Michael Devlin, Brooklyn born and bred, is heading south to become a man. Pete Hamill's prose has always been praised for its energy and muscularity. But rarely, if ever, has he achieved the tough-and-tender lyricism and imagistic power of his sensual new novel, *Loving Women*. When Michael arrives at the

U.S. Navy supply base in Pensacola, Florida, he is immediately plunged into a world he's never before encountered or imagined. Sensitive, street-smart, but wildly naive about the sadistic terrors of the service and the bigotry of the Deep South, he thrashes through a baptism of frustration and despair - until he meets Eden Santana. Eden is everything he's ever dreamed of: older, wiser, nonplussed by his ingenuous ways - the perfect instructor for a Catholic virgin in the art of lovemaking, in sexual pleasure, confidence and courage. Though their steamy passion is destined to dissipate, there is no way Michael can prepare himself for the circumstances under which his enigmatic lover disappears. Their heartbreaking parting becomes entwined with frightening secrets about each other, the South and the friends they make along the way. As compelling in narrative drive as it is utterly convincing in mood and tone, *Loving Women's* cinematic immediacy and haunting storytelling signify Pete Hamill writing at the top of his talent.

Finally, a book changes the image of the old women in children's books. Meet the Sweet Old Lady. This charming lady takes "sw-ee-t" to "sw-eee-t." She is an enchanting, charismatic, colorful, fun-loving old woman who gently teaches the values of kindness, compassion and empathy. She is also an example of a strong, independent woman who embraces and celebrates love and life. As you get to know her, you might want to be just like her. You might begin to ask yourself, "What would the Sweet Old Lady do?" Includes a Sing-A-Long Song. The song can be heard and viewed on youtube, The Sweet Old Lady channel. This book contains life-saving tips for pets and promotes humane education and responsible pet ownership. All of the author's net proceeds from the sale of this book are donated to her 501(c)3 nonprofit cat rescue and sanctuary.
