From Wikipedia, the free encyclopedia To Die For is an American novel by Linda Howard. It was published in 2004 by Random House Publishing. It made the New York Times Best Seller list.

~~To Die For (novel) - Wikipedia~~

Linda Howardin varhaiselle tuotannolle on tyypillistä vauhdikas tilannekehittely, kiihkeä romanttisuus ja aika yksioikoiset sankarit. Toisaalta sarjaromantiikassa henkilöiden ominaisuudet on aika tiukasti määritelty. 2000 -luvun kirjoissa teemaa on laajennettu. Cry no more (Spårlöst försvunnen) käsittelee vauvojen sieppausta.

Linda Moulton Howe (born January 20, 1942) is an American investigative journalist and Regional Emmy award-winning documentary film maker best known for her work as a ufologist and advocate of a variety of conspiracy theories, including her investigation of cattle mutilations and conclusion that they are performed by extraterrestrials. She is also noted for her speculations that the U.S ...

Danger brings together two guarded hearts in a battle for survival in this irresistible story from New York Times bestselling authors Linda Howard and Linda Jones. Sela Gordon, the shy owner of a Tennessee general store, finds safety in solitude. But if anyone can pierce her protective shell it's the handsome, mysterious ex-military man living alone in the wilds of Cove Mountain. For two years, he's kept his distance—until the day he appears to warn her that a catastrophic solar storm capable of taking down the power grid is coming. Now, Sela must find the courage to become the leader Wears Valley needs. Bitter experience has taught Ben Jernigan it's best to look out for number one. For two years the former soldier has lived in a self-imposed exile, using a top-notch security system to keep people away. But he had to let Sela know about the impending threat—and now the quiet and undeniably sexy woman is making it too easy for him to lower his guard. As panic spreads, Sela and Ben discover that in the dark, cut off from the outside world, there's no more playing it safe—in life or in love.

An autobiography by the original "shock jock" shares his observations on politics, current affairs, women, and the entertainment business

The author presents his provocative and controversial views on life, love, politics, celebrities, sexual obsessions, and other topics

This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

Now available in paperback, comes a successful and beautifully-written novel about a decent North Carolina farmer haunted by errors and redeemed by faith. Painstakingly honest, Littlejohn is "a character as fully rounded in his quirks and imperfections, in his quiet determination and bravery, as any in recent fiction."--Washington Post. National reading tour.

The spectacular bestseller from the author of VALLEY OF THE DOLLS. Once upon a time, the entertainment industry was a world that never slept. Magazine editors, models, pop stars and all the rest visited "vitamin doctors" to get the shots that would allow them to stay up all night and then work all day—in offices decorated with beanbag chairs and Calderesque mobiles... In this world, January Wayne goes from poor-little-rich-girl to grown-up swinger, as she searches New York and Los Angeles for a guy just like Mike Wayne, the glamorous movie producer, who also happens to be her father... "SPECTACULARLY SUCCESSFUL. There are plane crashes, drug orgies, motorcycle accidents, mass rapes, attempted abortions, suicide, evil doctors and other assorted activities; and I couldn't put the damned thing down." —Library Journal "[Susann's] pulp poetry resonates to this day. WITH HER FORMULA OF SEX, DRUGS, AND SHOW BUSINESS, Susann didn't so much capture the tenor of her times as she did predict the Zeitgeist of ours."—Detour

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, The Luminaries is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

In the first novel of this steamy contemporary Western romance series by two blockbuster authors, a cowboy and a woman on the run take a stand and fight for love. Carlin Reed lives in fear, off the grid, moving from place to place. So Battle Ridge, Wyoming, a small town in the middle of nowhere, seems like a good place to lie low for a while. But after becoming cook and housekeeper to cattle rancher Zeke Decker, Carlin suspects that she's made her first mistake. Rugged, sexy, and too distracting for his own good, Zeke is pure temptation mixed with something deep and primal that makes Carlin feel almost safe. Soon things are getting way too hot in the kitchen. Zeke doesn't challenge Carlin's terms: cash, dead bolts, and no questions. It is easy to see that she's a woman in trouble. Problem is, he's so blindsided by his attraction to her he can't think straight. Zeke tries to stay all business, no complications—but that game plan is sabotaged the second Carlin gets under his skin. And when her terrifying past follows her to the ranch, Carlin faces a heartbreaking choice: run away from the man she loves, or put him in the crosshairs of a madman.

A close friend and business manager for the legendary group portrays the personal lives of the members of the Beatles, from their youth in Liverpool to their rise to success in the world of pop music to the death of John Lennon in 1980. Reprint.

A realistic and emotional look at a woman who falls into the grips of insanity written by the iconic American writer Sylvia Plath "It is this perfectly wrought prose and the freshness of Plath's voice in The Bell Jar that make this book enduring in its appeal." — USA Today The Bell Jar chronicles the crack-up of Esther Greenwood: brilliant, beautiful, enormously talented, and successful, but slowly going under—maybe for the last time. Sylvia Plath masterfully draws the reader into Esther's breakdown with such intensity that Esther's insanity becomes completely real and even rational, as probable and accessible an experience as going to the movies. Such deep penetration into the dark and harrowing corners of the psyche is an extraordinary accomplishment and has made The Bell Jar a haunting American classic. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
