Barbatruccole oggi parliamo di un anniversario importante, quello di Maybelline ^_^ Cavolo 100 anni... e ripenso che in realtà è un brand che è sempre stato in casa mia...Sin da quando ero bambina... Addirittura da ragazzina, ricordo che il mio primo rossetto fu proprio suo...Aveva un pack lillino, ed il rossetto era rosa con miliardi di glitterini *_* (chissà che fine ha fatto quel rossetto)

Si usa definire come guerra dei cent'anni la lunga serie di eventi bellici intercorsi in Francia tra il 1337 e il 1453, che videro contrapposta la corona inglese e quella francese. Lo scontro trova le sue radici nella presenza in territorio francese di ampi domini feudali per i quali da tempo i Plantageneti erano feudatari dei Capetingi.

Makeup, as we know it, has only been commercially available in the last 100 years, but applying decoration to the face and body may be one of the oldest global social practices. In Face Paint, Lisa Eldridge reveals the entire history of the art form, from Egyptian and Classical times up through the Victorian age and golden era of Hollywood, and also surveys the cutting-edge makeup science of today and tomorrow. Face Paint explores the practical and idiosyncratic reasons behind makeup's use, the actual materials employed over generations, and the glamorous icons that people emulate, it is also a social history of women and the ways in which we can understand their lives through the prism and impact of makeup.

This popular new line of books follows your favorite Queer as Folk characters on a riveting journey of sexual self-discovery with stories about the beloved characters from the record-breaking Showtime series. USA Today raves, "There's never been anything else like it on TV" -- and there's never been a book series like this. Life after college brings a lot more freedom -- and a lot of new problems. Brian must trade his status as BMOB for the bottom rung of the corporate ladder, while Michael, who has long given up on college, now wonders if he's also given up on his dreams. Emmett

visits Pittsburgh to celebrate the spectacular launch of his fashion marketing company in Los Angeles (or so everyone thinks), while Deb adds gay rights advocacy to her juggling act of working at the diner and taking care of her ailing brother, Vic. Like Lindsay -- who experiences life as a struggling artist and true love for the first time -- Deb's about to get more than she bargained for. Add in a secret romance, sexually charged office politics, an over-the-top drag ball, and the arrival of new friends and lovers, and our little gang is tested enough to qualify for postgraduate credit. More than ever before, Michael and Brian find their friendship challenged. As their choices tear them apart, Brian sees that it's Michael he's always loved, and that he always will. But will he tell him before it's too late?

This book comes from an idea that my mother had and from a happy intuition she had in writing a short story of a little star that left our bunny in our garden. Because Cruscotto exists, he does exist and all photos pictured in this book represent him; he has been a gift that this bizarre 2020 offered us. Because of my love for foreign languages and my past as a translator, I worked on this story and I translated it into French and English, hoping that the largest number of people will approach the study of foreign languages. Its reading is suitable for anyone of an age between 4 and 99 years and the only requirement to appreciate its reading is to open your heart to the purity of real feelings. Happy reading and deep study of my three favorite languages! Questo libro nasce da un'idea di mia mamma, che ha avuto una felice intuizione nello scrivere la storiella di una stellina che ha lasciato nel giardino il nostro coniglietto. Perché Cruscotto esiste, esiste davvero, e tutte le foto inserite nel libro lo rappresentano; è un dono che questo 2020 tanto strano ci ha fatto. Amando le lingue straniere e avendo un trascorso da traduttrice, ho fatto mia questa storia dolcissima e l'ho tradotta in francese e inglese, nella speranza di avvicinare allo studio delle lingue straniere il maggior numero di persone. La sua lettura è indicata a chiunque abbia fra i 4 e i 99 anni e l'unico requisito necessario per assaporarne la lettura è aprire il cuore alla purezza dei veri sentimenti. Buona lettura e buon apprendimento delle mie tre lingue preferite! C e livre naît d'une idée de ma mère, qui a eu cette heureuse intuition en écrivant cette histoire d'une petite étoile qui a laissé notre petit lapin dans notre jardin. Car Cruscotto existe, il existe vraiment, et toutes les photos utilisées dans ce livre le représentent : c'est un don que cet étrange 2020 nous a fait. Puisque j'aime les langues étrangères et j'ai un passé de traductrice, j'ai travaillé sur cette histoire et je l'ai traduite en français et en anglais, dans l'espoir que le plus grand nombre de personnes s'approchent à l'étude des langues étrangères. Sa lecture est indiquée pour tous ceux qui ont entre 4 et 99 ans et la seule qualité requise pour en apprécier la lecture est d'ouvrir le cœur à la pureté de vrais sentiments. Bonne lecture et bon approfondissement de mes trois langues préférées!
