the years leading up

to the election of

Donald Trump,

Congressman Adam

Schiff had already

been sounding the

threat this posed to
the United States.

But as he led the
probe into Donald

Ukraine-related
abuses of

presidential power,
Schiff came to the
terrible conclusion
that the principal
threat to American
democracy now
came from within.

In *Midnight in Washington*, Schiff argues that the Trump presidency has so weakened our institutions and compromised the Republican Party that the peril will last for years, requiring unprecedented vigilance against the growing and
