A twist of fate landed Sora and Shiro in a bizarre world where everything, even war and politics, is decided by the outcome of games. For a couple of pro-gaming savants like them, it's the ultimate playground. With the fate of mankind's last kingdom on the line, they're ready to wager everything! The rules are stacked against them, the enemy is only too happy to cheat, and there's even magic involved, but one thing's for sure--no one plays a better game than they do.

In the world of Disboard, everything is decided by games. Since arriving in this strange place, genius gamer siblings Sora and Shiro have risen to become king and queen of what's left of Disboard's humans. Their latest challenge is winning an unwinnable romance game against the races of Dhampir and Siren. To uncover the true strategy to beat this sadistic game of love, they head for the home of the angelic Flügel: the midair city of Avant Heim. But the Flügel are a hideously powerful race, created specifically to kill gods. Will things really go as planned?

The original light novel that started the phenomenon! In this fantasy world, everything's a game--and these gamer siblings play to win! Meet Sora and Shiro, a brother and sister who are loser shut-ins by normal standards. But these siblings don't play by the rules of the "crappy game" that is average society. In the world of gaming, this genius pair reigns supreme, their invincible avatar so famous that it's the stuff of urban legend. So when a young boy calling himself God summons the siblings to a fantastic alternate world where war is forbidden and all conflicts--even those involving national borders--are decided by the outcome of games, Sora and Shiro have pretty much hit the jackpot. But they soon learn that in this world, humanity, cornered and outnumbered by other species, survives within the confines of one city. Will Sora and Shiro, two failures at life, turn out to be the saviors of mankind? Let the games begin...!

Before Sora and Shiro set foot on Disboard, there was another remarkable duo!! Tet, the One True God, takes a break to amuse himself among the mortals only to collapse on the streets of Elkia. When a familiar face finds him and lends a helping hand, the God of Play regales her with a tale from the Great War about a human man who challenged the world and a strange girl who sought to comprehend the human heart... Let the games begin!

One of the gamer siblings has vanished! In the world of Disboard, everything is decided by games. And after rising to reign as the monarchs of the remnants of Disboard's humans, gamer siblings Sora and Shiro have now wagered the fate of every human being alive on the outcome of a game against the Eastern Union! But immediately after making this wager, Sora disappears, leaving only a cryptic message behind. " ", the legendary two-in-one gamer, has been torn asunder! What is Sora thinking? What will Shiro do? What will become of humanity? And what about the paradise of animal girls?! In the third volume of the bestselling alternate-world fantasy series, it's a risky showdown against the Werebeasts!

The gamer siblings have their eyes on a new target--the land of the animal girls... It's gamer siblings vs. animal girls, but first there's some angel trouble to deal with! After having been summoned to the world of Disboard, where a boyish god has declared that all conflicts must be resolved via games, the genius gamer siblings Sora and Shiro have ascended to rule over the strange world's embattled humans. Now brother and sister must challenge the other races directly, and the games are afoot! Will Sora and Shiro be able to stand against the might of the angelic Flügel race? The next chapter in the hit fantasy series begins here!

You can run, but you can't hide... After pulling off a successful coup d'état for the Elkan throne, Sora and Shiro take their devil-may-care attitude to running a pharmacy. One of their first customers is the leader of the eighth-ranked race, the Dwarves, who comes to blows with the two of them over the bill for his drugs and taunts, "Why did you run from your old world?" At the same time, the gamer siblings are saddled with a runaway Dwarf girl named TIL...who also has a bone to pick with the Dwarf leader! With so much conflict at hand, will Sora and Shiro have time to run a business?!

Situation critical! The monarchs of Elkia--and Izuna and Holou too!--have been trapped inside the bathhouse for four days and counting. It's beyond time to stage a rescue mission, but how? When even the power of the mighty Flügel isn't enough to get past the barrier, Stuch is at her wits' end. What would Sora and Shiro do in a situation like this...? Let the games begin!

Are there...TWO Izunas?! That's too damn many, please! When the old gods come calling, there's no end to the craziness... Later, a snack thief is on the loose and it's up to Izuna to sniff them out! Can the girls corner the culprit, or will they be outsmarted? LET THE GAMES BEGIN!

Gamer siblings Sora and Shiro have at last defeated the Old Deus Holou, and now they're switching gears: their next endeavor is to make Holou the number-one idol pop star in all of Disboard! But amid the chaos of their pet project comes a strange message from the representative of the 10th-ranked race, the Ex Machina... Is another arduous battle on the horizon for Sora and Shiro?!
