Perfect planner for students, girls, moms, teens, and teachers. Check out our Portfolio of 2019 Planners in different sizes by clicking on "Pretty Planners 2019-2020" at the top of this page.

The Romans: An Introduction is a concise, readable and comprehensive survey of the Roman world, which explores 1,200 years of political, military and cultural history alongside religion, social pressures, literature, art and architecture. This new edition includes updated and revised materials designed to develop analytical skills in literary and material evidence, evoking themes that resonate in both ancient and modern societies: fake news, class struggles, urbanization, concepts of race and gender, imperialism, constitutional power and religious intolerance. The fourth edition incorporates a number of new features and evolving fields: A new chapter on provinces, provincial administration and acculturation in the Roman Empire. An extended chapter on Christianity and Rome's legacy with new case studies in the reception of Roman culture. An extended chapter on Roman society and daily life, including recent scholarship on gender and race in the ancient world. Integrated use of text and material evidence which is designed to develop analytical skills in critical source assessment. The book's successful Open Access website updated to include new case studies on emerging topics such as performance politics, religious syncretism, media sensationalism and cultural heritage. Thoroughly updated and redeveloped, this new edition of The Romans will continue to serve as the definitive introduction to the life, history and culture of the Roman world, from its foundation to its significance to later civilizations.

Follows the life of Laure Beasejour, a young French orphan who was transported to the new, but primitive, Canadian colony as part of a program sponsored by King Louis XIV that sent 800 young women abroad to marry settlers. 13,000 first printing.

The highly anticipated third novel in the Searching For series from Jennifer Probst, "one of the most exciting breakout novelists" (USA TODAY), featuring a runaway bride and the man who wants to be more than just her best friend... Genevieve MacKenzie has her life completely under control. About to wed the charming Chief doctor at the local hospital, she's an up-and-coming surgeon with everything she could ever want. Until an escape through the church window on the day of her wedding sends her life into a tailspin...and flings her right into her best friend's arms. When Wolfe catches his best friend falling out a window on her wedding day, he doesn't ask questions. He whisks her away, determined to watch over her and discover the truth behind her desperate escape. But when his feelings turn more than platonic, he realizes he may risk his most important relationship in order to protect his damaged heart, and the woman he loves. Can Genevieve and Wolfe's friendship turn into something deeper—or is it already too late for true love?

Activities for Teaching Braille More Efficiently at the Beginning Level.

Twelve-year-old Libby, the daughter of an Indiana cattle farmer, raises two calves in hopes of winning the annual steer competition at the county fair, but fails to follow her father's warning about developing a bond with animals that are destined to be sold at auction.

Biblical truth is absolute truth and offends postmodernists who reject absolutes. If scripture is not true then Christianity is a figment of man's imagination. The claim that biblical truth is the only truth, since Jesus is the Truth, is non-negotiable and under heavy assault in Western Culture. This book is an uncompromising attempt to call the "Almost a Christian" to repentance as well as to expose error by referencing scripture as well as the works of the great reformers such as Augustine, Luther, and Calvin and modern biblical scholars. The book focuses on some of the basic issues that challenge "Almost Christians". The biblical and prophetic call from Jeremiah remains: "To root out and pull down, to destroy and throw down, to build and plant."(Jer 1:10) It is a call to return to Biblical Christianity. The book is meant to be stimulating and challenging and to be read slowly and thoughtfully.

Adventures of Greasy and Grimy is a series of adventure books for young children, featuring two lovable boys and their puppy Rex. Today's adventure is a journey to Mars. The two boys set out after breakfast each morning, putting on specific hats for the adventure at hand. Their trusty dog Rex always along to help, but ends up helping them into a dirty, dusty, greasy, grimy mishap! Greasy and Grimy stories are based on the childhood adventures of Doc Goodheart and his brother. Doc hopes you will be inspired to have adventures of your own.

In the first book of the epic Strand Novels, a victimized young woman sets out to avenge the wrongs committed against her and her elven protectors In the mid-fourteenth century, when the lands of Adria are replete with violence and intolerance, plot and counterplot, Miriam—an uncommonly gifted healer—is accused of witchcraft by the Inquisition, imprisoned, and tortured. After escaping, she is assaulted by Roger, baron of Aurverelle, who violates her and then leaves her for dead. Her salvation appears in the form of Varden, an Elf of Malvern Forest, whose magic first heals her, then provides her with the strength and stature she requires to pursue her revenge against those who have so grievously wronged her. Thus begins Miriam's battle against her past, against her present, and even, in the end, against herself. Grand in scope and firmly grounded in the history of medieval Europe, Strands of Starlight is an engrossing and adventure-packed story of defeat and redemption, vengeance and compassion, and the power of a single individual to change the fates of countless others. Strands of Starlight is the first book of the Strand Novels, which continue with Maze of Moonlight and Shroud of Shadow.
