Book is packaged in its own protective box. A must-own for any serious Pearl Jam fan or collector! 7-2/8 x 10-7/8 .

See the art that helped create the Grammy Award-nominated music video Do the Evolution by legendary band Pearl Jam, a Rock and Roll Hall of Fame 2017 inductee. Drawing inspiration from the Grammy Award-nominated music video of the same name, Do the Evolution takes fans inside this unforgettable work of art. Directed by visionary comics legend Todd McFarlane (Spawn) and veteran animator Kevin Altieri (Batman: The Animated Series), this achievement in animation told a graphic and dark history of the world in four gripping minutes and is widely considered one of the best music videos of all time. Now, the full story of the making of this historic video will be told. Lushly illustrated by the video's striking animation cells with never before seen storyboards and designs from the video, the video's co-producer, Joe Pearson, will guide readers through the fascinating process of bringing the band's vision to life in this one-of-a-kind art book.

There has never been a band like Pearl Jam. The Seattle quintet has recorded eleven studio albums; sold some 85 million records; played over a thousand shows, in fifty countries; and had five different albums reach number one. But Pearl Jam's story is about much more than music. Through resilience, integrity, and sheer force of will, they transcended several eras, and shaped the way a whole generation thought about art, entertainment, and commerce. Not for You: Pearl Jam and the Present Tense is the first full-length biography of America's preeminent band, from Ten to Gigaton. A study of their role in history - from Operation Desert Storm to the Dixie Chicks; "Jeremy" to Columbine; Kurt Cobain to Chris Cornell; Ticketmaster to Trump - Not for You explores the band's origins and evolution over thirty years of American culture. It starts with their founding, and the eruption of grunge, in 1991; continues through their golden age (Vs., Vitalogy, No Code, and Yield); their middle period (Binaural, Riot Act); and the more divisive recent catalog. Along the way, it considers the band's activism, idealism, and impact, from "W.M.A." to the Battle of Seattle and Body of War. More than the first critical study, Not for You is a tribute to a famously obsessive fan base, in the spirit of Nick Hornby's Fever Pitch. It's an old-fashioned - if, at times, ambivalent - appreciation; a reflection on pleasure, fandom, and guilt; and an essay on the nature of adolescence, nostalgia, and adulthood. Partly social history, partly autobiography, and entirely outspoken, discursive, and droll, Not for You is the first full-length treatment of Pearl Jam's odyssey and importance in the culture, from the '90s to the present.

(Guitar Recorded Versions). Matching folio to their break-through album including 11 songs. Includes: Alive \* Black \* Deep \* Even Flow \* Garden \* Jeremy \* Oceans \* Once \* Porch \* Release \* Why Go. Also features photos.

(Guitar Recorded Versions). All 16 tracks from the band's acclaimed 2010 concept album transcribed note for note with tab. Includes the hit single "Isolation" and: All Hope Is Gone \* Breathe Again \* Coeur D'Alene \* Fallout \* Ghost of Days Gone By \* Home \* I Know It Hurts \* Life Must Go On \* Make It Right \* Show Me a Sign \* Slip to the Void \* Still Remains \* Wonderful Life \* Words Darker Than Their Wings \* Zero.

More than any other band, Pearl Jam embodies the alternative style that dominates rock today. From their early days as fame-ducking grunge pioneers, through their headline-making battle with Ticketmaster, to their current status as self-assured survivors, Five Against One brings to life Pearl Jam's tumultuous ascent to superstardom in rich detail. A compelling portrait of the band's elusive leader Eddie Vedder and family photos never seen before by the public make this a must-have for every Pearl Jam fan.

Political Rock features luminary figures in rock music that have stood out not only for their performances, but also for their politics. The book opens with a comparative, cultural history of artists who have played important roles in social movements. Individual chapters are devoted to The Clash and Fugazi, Billy Bragg, Bob Dylan, Rage Against the Machine, Pearl Jam, Sinéad O'Connor, Peter Gabriel, Ani DiFranco, Bruce Cockburn, Steve Earle and Kim Gordon. These artists have been chosen for their status as rock musicians and connections to political moments, movements, and art. The artists and authors show that rock retains a critical strain, continuing a tradition of rock politics that matters to fans, activists, and movements alike.

(Guitar Recorded Versions). 24 note-for-note transcriptions spanning Vai's career, including: The Attitude Song \* The Audience Is Listening \* Bad Horsie \* Big Trouble \* Building the Church \* The Crying Machine \* Die to Live \* Eugene's Trick Bag \* For the Love of God \* Gravity Storm \* Hand on Heart \* Head Cuttin' Duel \* I Would Love To \* Jibboom \* Juice \* K'm-Pee-Du-Wee \* Lotus Feet \* Now We Run \* The Story of Light \* Tender Surrender \* Touching Tongues \*
