A DELICIOUS HIGH-STAKES ADVENTURE. --PEOPLE MAGAZINE Perfect for fans of Victoria Aveyard and Holly Black, The Kinder Poison is an enthralling fantasy adventure that follows a teenage girl chosen to be the human sacrifice in a deadly game between three heirs who will do anything for the crown. Zahru has long dreamed of leaving the kingdom of Orkena and having the kinds of adventures she's only ever heard about in stories. But as a lowly Whisperer, her power to commune with animals means that her place is serving in the royal stables until the day her magic runs dry. All that changes when the ailing ruler invokes the Crossing. A death-defying race across the desert, in which the first of his heirs to finish—and take the life of a human sacrifice at the journey's end—will ascend to the throne. With all of the kingdom abuzz, Zahru leaps at the chance to change her fate if just for a night by sneaking into the palace for a taste of the revelry. But the minor indiscretion turns into a deadly mistake when she gets caught up in a feud between the heirs and is forced to become the Crossing's human sacrifice. Now Zahru's only hope for survival hinges on the impossible: somehow figuring out how to overcome the most dangerous people in the world.

Perfect for fans of Neil Gaiman and Tim Burton, this is no ordinary fairy tale. When Poison's baby sister is stolen by phaeries, Poison sets off on an incredible and dangerous journey to get her sister back from the Phaerie Lord. But as Poison travels to the Realm of Phaerie, she discovers that her story - and her destiny - is not in her control, and that she will need all her wits about her to survive. A fantasy where the power of story maybe the only thing that will save you, and where imagination knows no bounds.

Sixteen-year-old Kyra, a highly-skilled potions master, is the only one who knows her kingdom is on the verge of destruction—which means she's the only one who can save it. Faced with no other choice, Kyra decides to do what she does best: poison the kingdom's future ruler, who also happens to be her former best friend. But, for the first time ever, her poisoned dart...misses. Now a fugitive instead of a hero, Kyra is caught in a game of hide-and-seek with the king's army and her potioner ex-boyfriend, Hal. At least she's not alone. She's armed with her vital potions, a too-cute pig, and Fred, the charming adventurer she can't stop thinking about. Kyra is determined to get herself a second chance (at murder), but will she be able to find and defeat the princess before Hal and the army find her? Kyra is not your typical murderer, and she's certainly no damsel-in-distress—she's the lovable and quick-witted hero of this romantic novel that has all the right ingredients to make teen girls swoon.

Darkness blooms in bestselling author Kalynn Bayron's new contemporary fantasy about a girl with a unique and deadly power. Briseis has a gift: she can grow plants from tiny seeds to rich blooms with a single touch. When Briseis's aunt dies and wills her a dilapidated estate in rural New York, Bri and her parents decide to leave Brooklyn behind for the summer. Hopefully there, surrounded by plants and flowers, Bri will finally learn to control her gift. But their new home is sinister in ways they could never have imagined--it comes with a specific set of instructions, an old-school apothecary, and a walled garden filled with the deadliest botanicals in the world that can only be entered by those who share Bri's unique family lineage. When strangers begin to arrive on their doorstep, asking for tinctures and elixirs, Bri learns she has a surprising talent for creating them. One of the visitors is Marie, a mysterious young woman who Bri befriends, only to find that Marie is keeping dark secrets about the history of the estate and its surrounding community. There is more to Bri's sudden inheritance than she could have imagined, and she is determined to uncover it . . . until a nefarious group comes after her in search of a rare and dangerous immortality elixir. Up against a centuries-old curse and the deadliest plant on earth, Bri must harness her gift to protect herself and her family. From the bestselling author of Cinderella Is Dead comes another inspiring and deeply compelling story about a young woman with the power to conquer the dark forces descending around her.
