A sweeping, action-packed Scottish historical romance filled with adventure, history, and longing from USA Today bestselling author Eliza Knight. When Highlander Toran Fraser encounters a mysterious rebel for the prince, he can't resist being recruited to her cause... Toran Fraser is hell-bent on taking down the Jacobites. On a late-night mission, he's intercepted by a woman known only as "Mistress J", who's determined to put Prince Charlie back on the throne of Scotland. Toran can't resist her appeal—especially with her pistol pointed at his heart—and suddenly finds himself joining the rebellion... By day, highborn Jenny Mackintosh runs her estate in the Highlands. By night, she's one of Prince Charlie's Angels—a band of Jacobite rebels. Scoffing at mortal danger, she raises coin, delivers weapons, and recruits soldiers for the rebellion. When she encounters a handsome Highlander who is clearly on the run, she is more than a little intrigued. She isn't expecting to be his enemy... Jenny's story has a flavor of the lives of Lady Anne (Farquharson) Mackintosh, Jenny Cameron, and Lady Margaret Ogilvy, who raised troops, collected funds and weapons for the rebels, fought in battles, and aided men in escaping the wrath of their enemies. Readers love Eliza Knight: "Passion and intrigue collide... Knight mixes emotional conflicts with interesting historic detail and produces a hero whose honor and prowess is memorable indeed."—RT Book Reviews for The Highlander's Reward "Ms. Knight has a gift for writing wonderful characters that pull the reader into the story... The New York Times bestselling novel by the Goodreads Choice Awards Best Debut Author of 2016, published in 15 countries! Mortals rule the desert nation of Mirajji, but mythical beasts still roam the wild and remote areas, and rumor has it that somewhere, djinn still perform their magic. For humans, it's an unforgiving place, especially if you're poor, orphaned, or female. Amani Al'Hiza is all three. She's a gifted gunslinger with perfect aim, but she can't shoot her way out of Dustwalk, the back-country town where she's destined to wind up wed or dead. Then she meets Jin, a rakish foreigner, in a shooting contest, and sees him as the perfect escape route. But though she's spent years dreaming of leaving Dustwalk, she never imagined she'd gallop away on mythical horse—or that it would take a foreign fugitive to show her the heart of the desert she thought she knew. This startlingly original Middle-East-meets-Wild-West fantasy reveals what happens when a dream deferred explodes—in the fires of rebellion, of romantic passion, and the all-consuming inferno of a girl finally embracing her power.

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

The breathless finale to the New York Times bestselling Rebel of the Sands series will have you on the edge of your seat until the dust from the final battle clears! When gunslinging Amani Al'Hiza escaped her dead-end town, she never imagined she'd join a revolution, let alone lead one. But after the bloodthirsty Sultan of Mirajji imprisoned the Rebel Prince Ahmed in the mythical city of Eremot, she doesn't have a choice. Armed with only her revolver, her wits, and her untameable Demdji powers, Amani must rally her skeleton crew of rebels for a rescue mission through the unforgiving desert to a place that, according to maps, doesn't exist. As she watches those she loves most lay their lives on the line against ghouls and enemy soldiers, Amani questions whether she can be the leader they need or if she is leading them all to their deaths.
