popular series. "And they lived happily ever after." In fairy tales, that's always how things end. The prince and princess ride away on his white horse, and from then on all's right with the world. But what if it wasn't? What if the prince's life didn't suit the princess? What if she felt stifled by life inside the castle walls? Could she tell him? And if she loved him—really loved him—how could she ask him to give up his kingdom?

The murder of Colonel Fountain is the most notorious of New Mexico's many "unsolved" killings. Pat Garrett came out of retirement to track down the killers, and this resulted in the bloody gunfight at the Wildy Well. Feared gunman Oliver Lee and two others were charged with the crime. Albert Bacon Fall who liked to brag that he never lost a murder trial defended them. This "trial of the decade" was the climax of the west's last great range war, a war so violent that it cost New Mexico statehood for three decades. A huge camp was thrown up overnight in the rugged mountain camp of Hillsboro to accommodate the hundreds of newsmen who flocked in from across the nation. The Tularosa War was a fight for control of the Southwest. The bodies of the two victims were never found. Fall won as he predicted he would, only to meet his downfall and disgrace as the principal figure of Washington's Teapot Dome Scandal. Fountain and Garrett lost the Tularosa War, but both men are still thought of as two of the frontier's best, giants among giants.

A USA TODAY recommended read Some fires can consume you. Last year, I had it all. Two jumpers on the show circuit, a lot of wins, and a lot of attention – the good kind. But now I have nothing. My life is circling the drain. The only spark of light that exists for me is my new, forbidden passion. If my stepfather finds out, he will kill me. My twin brother, my only blood relative in the world, has already begged me not to. But I can't help myself. If it can't be horses, it has to be this... Read the popular series that's Blazed through the horse world!

An elite U.S. Army Special Operations unit faces danger on all sides while fighting multiple threats on two continents in one assignment.

Nostalgia tastes like root beer, sweet and dark. Teri is sinking in a morass of pain. Her dream of being a jockey was brutally shattered by an accident that left her broken in every way. Tired of worrying her family, she seeks out the comforts of her childhood – horses and stables and a sweet, blond boy. But the boy is grown now, and so is she. Will Teri be able to remove the armor that's been holding her together long enough to find solace in the arms of an old friend? The Turning Point is a short story that takes place after the events in the Blaze of Glory series.

How do you fix things when you're failing at every part of your life? Don't ask me. I did okay in high school. I had friends, dated, even made decent grades thanks to my brainy twin sister. But now high school's over. It's time to be a man... if only I knew how. I couldn't live by my stepfather's rules, so I flew the coop and landed at my genetic father's, in Spain. A whole new country for me to screw up in. So of course, I did. After I'd burned through a second family, there was nowhere left for me to go. Maybe I was destined to wander the earth—me, the homebody. Seriously, world. The joke's over. Halo Boy is the long-awaited spinoff to the Blaze of Glory trilogy.

Interested in riding lessons? Wonderful! This short, informative ebook will help you figure out which riding school or instructor is best suited to your needs. Written for those with no horse experience, "How to Choose a Riding School" covers the most important elements to help you find a fun, safe riding environment. Includes a handy chart for making comparisons. Here's to many happy years of riding!

A mother will always do what's best for her children... even if it means giving up her own chance at happiness. A decade ago, Elina's life was derailed by a smooth-talking charmer. Since then she's toiled endlessly to create a better life for her children, putting thoughts of romantic love aside. But when handsome, intimidating Declan wins her over with his timely help and old-fashioned notions of love, Elina has a decision to make. Her long-awaited financial success requires a move to Montreal, a city too far away to keep new love alive, and Declan runs his family's equestrian business - he can't move. How can Elina find happiness when her heart is pulling her one way and her children's futures are pulling in another? Discover the story behind the Blaze of Glory trilogy readers have come to love. You don't know everything about a man until you know his history.

Book 2 in the popular series. Blood is thicker than water. I didn't understand that expression when I was a kid. I only knew that I was closer to my brother Seth than to anyone else in the world. He was the calm to my storm, the light to my dark. We were tied to the rest of our complicated family by bonds beyond blood—love, loyalty, convenience—but as it turns out, the pull of blood is strong. Maybe even strong enough to tear me away from the person with whom I shared my very first breath.
