Rid Of My Disgrace Hope

Justin and Lindsey Holcomb outline an approach for moving from destruction to redemption. While avoiding platitudes and shallow theology, Rid of My Disgrace combines biblical and theological depth with up-to-date research. This book is primarily written for those who have been assaulted (either as children or adults) but also equips family, friends, pastors, and others to care for victims in ways that are compassionate, practical, and informed.

Rid of my disgrace : hope and healing for victims of ...

Rid of My Disgrace — Hope and Healing of Victims of Sexual Assault. As a Christian psychotherapist, I found Rid of My Disgrace to be a very well-researched, thorough analysis of the issue of sexual assault from both a clinical and biblical perspective. This is likely a reflection of the co-authors, John Holcomb, a pastor and professor, and ...

Rid of My Disgrace — Freedom for the Captives

Rid of My Disgrace is a sharp departure from the typical drivel that floods the marketplace of ideas. Part one exposes the sin and side effects of sexual assault. Part two walks readers through the complicated emotional responses that most victims experience. And part three presents hope for victims that is rooted in the gospel of Jesus.

The statistics are jarring. One in four women and one in six men have been sexually assaulted. But as sobering as these statistics are, they can ' t begin to speak to the darkness and grief experienced by the victims. The church needs compassionate and wise resources to care for those living in the wake of this evil. Other books attempt to address the journey from shame to healing for victims of sexual abuse, but few are from a Christian perspective and written for both child and adult victims. In Rid of My Disgrace, a couple experienced in counseling and care for victims of sexual assault present the gospel in its power to heal the broken and restore the disgraced. Justin and Lindsey Holcomb present a clear definition of sexual assault and outline a biblical approach for moving from destruction to redemption. Rid of My Disgrace applies a theology of redemption to the grief, shame, and sense of defilement victims experience. This book is primarily written for them, but can also equip pastors, ministry staff, and others to respond compassionately to those who have been assaulted. Part of the Re:Lit series.

The statistics are jarring. One in four women and one in six men are or will be victims of sexual assault in their lifetime. But as sobering as the statistics are, they don ' t begin to speak to the darkness and grief experienced by these victims. Because sexual assault causes physical, psychological, emotional, and spiritual pain, victims need clear help, hope, and healing. Justin and Lindsey Holcomb ' s acclaimed book, Rid of My Disgrace (Crossway Books, 2011), offered a new vision of how the grace of God can heal the broken and restore the disgraced. When Rid of My Disgrace was published, it exposed many Christians to the horrors of sexual abuse and assault for the first time. It enabled many who have been victimized to finally seek help and hope within the framework of their faith. Rid of My Disgrace was a gift to these men and women and all the people who seek to come alongside them in their journey toward healing. But Rid of My Disgrace forced us—as a church—to ask ourselves further questions. How can our churches become a safe place to talk about abuse? Can we participate somehow in the healing of the men and women among us who have been abused? This brand new Rid of My Disgrace Small Group Discussion Guide answers our collective questions, bringing healing and hope into the safety of the faith community.

Sexual assault is an invasive event of traumatic evil. You were victimized, and now you are suffering. Whenever sexual abuse occurs, love is not part of the equation. Rather, the perpetrator uses power, domination, and control to injure innocent victims. David Powlison gently leads those who have been wounded sexually to a deeper relationship with God--beyond the pain--with biblical action steps. By embracing their identity in Jesus, sufferers will not only understand the emotional and spiritual battles they face as sexual assault victims, they will be equipped to effectively overcome any fear, worry, anger, and shame and to offer hope to others in similar situation.

Is it My Fault? proclaims the gospel of healing and hope to victims who know too well the depths of destruction and the overwhelming reality of domestic violence. At least one in every three women have been beaten, coerced into sex, or abused in their lifetime. The effects of domestic violence are physical, social,

emotional, psychological, and spiritual, and can have long-lasting distressing consequences. It is common for victims of domestic violence to suffer from ongoing depression and recurring nightmares, self-harm, such as cutting, panic attacks, substance abuse, and more. This book exists to address the abysmal issues of domestic violence using the powerful and transforming biblical message of grace and redemption. *Is It My Fault?* convincingly shows that the Lord is the only one who can heal the despairing victim. It deals with this devastating problem and sin honestly and directly without hiding its prevalence today.

God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, *God Made All of Me* helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of *God Made All of Me*, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. *God Made All of Me* is the first children's book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore *God Made All of Me* and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

Domestic abuse is an issue that, sadly, has too often been overlooked by the church. In this book, the authors examine what abuse is and offer hope and practical steps for the abused. An excellent resource for family, friends, pastors, as well for victims.

Meals have always been important across societies and cultures, a time for friends and families to come together. An important part of relationships, meals are vital to our social health. Author Tim Chester sums it up: “ Food connects. ” Chester argues that meals are also deeply theological—an important part of Christian fellowship and mission. He observes that the book of Luke is full of stories of Jesus at meals. These accounts lay out biblical principles. Chester notes, “ The meals of Jesus represent something bigger. ” Six chapters in *A Meal with Jesus* show how they enact grace, community, hope, mission, salvation, and promise. Moving from biblical times to the modern world, Chester applies biblical truth to challenge our contemporary understandings of hospitality. He urges sacrificial giving and loving around the table, helping readers consider how meals can be about serving others and sharing the grace of Christ.

A stunningly vulnerable look at the horrific realities of sexual abuse and how to overcome them Male sexual abuse is increasingly in the news, from scandals in the Catholic Church to exploitations at Penn State. Yet books and programs about healing are still overwhelmingly oriented toward the female survivor of abuse. As men who experienced childhood abuse, the authors of this book are uniquely qualified to address the healing process of male survivors. Using the metaphor of a car accident, *Naming Our Abuse* leads the survivor from the Wreck to the Accident Report to Rehabilitation to Driving Again. This four-step model illustrates that healing is a process to be nurtured rather than something that can be healed in a single telling. Following the authors' examples, readers are invited to find solidarity with other male survivors and develop an understanding of their own wounding through journaling exercises. “ Rarely has a book about a subject so difficult and taboo left me feeling so encouraged and hopeful. Three different stories of deep personal pain, woven together to tell a story not only of survival but of fullness of life we can all hope for. ” —Steve LePore, Founder and Executive Director, 1in6

Spend a year with classic Christian authors, theologians, and pastors Each engaging entry in this 365-day devotional will bring fresh insight to your time in God's Word. Selected from the works of classic Christian writers, this collection is focused on the person and work of Christ. It has been lightly edited for today's reader while maintaining the overall style and structure of the original material. Each day begins with a passage from Scripture that focuses on Jesus Christ, followed by a brief reflection from an author or theologian exploring the Scripture's significance. The devotions contain writings from John Calvin, Jonathan Edwards, Charles Spurgeon, J. C. Ryle, Herman Bavinck, B. B. Warfield, Martin Luther, Augustine, Cyril of Jerusalem, Athanasius, Gregory of Nazianzus, Thomas Aquinas, and more. *Let God with Us* bring you a daily dose of powerful insights from classic writers while drawing you ever closer to our Lord and Savior.

No More Hiding Shame controls far too many of us. Worthless, inferior, rejected, weak, humiliated, failure...it all adds up to wishing we could get away from others and hide. We know what shame feels like. The way out, however, is harder to find. Time doesn't help, neither does confession, because shame is just as often from what others do to you as it is from what you have done. But the Bible is about shame from start to finish, and, if we are willing, God's beautiful words break through. Look at Jesus through the lens of shame and see how the marginalized and worthless are his favorites and become his people. God cares for the shamed. Through Jesus you are covered, adopted, cleansed, and healed.
