Buy the Paperback version of this book, and get the Kindle eBook version included for FREE Do you really want to start a blog? Remember that the Start is the most important part to become a blogger authority, so if you want to set everything up properly in your blog, keep reading... IMPORTANT: this book was not written to promote a live event where I will give you more information. I poured all my knowledge into this book, saving nothing. My name is Manuel Rise and I am a professional blogger since 2014. "Professional blogger" means I can live my life blogging: I have a blog (more than one, in truth) through which I sell a service. Several years have passed since I started writing articles and the world of blogs has changed a lot. Honestly, it changes every year. So, to keep up with the times, every year I attend SEO courses by Google, copywriting and basically, every kind of course related to the world of blogs. Unfortunately, there is no great course on internet that explains how to build a blog and earn money by selling a product or service. That's why - alongside with my business - I decided to write this series of books. Everything you will find in these books is result of my experience and that's what allowed me to leave my job and be able to live only with my blogs. It's not a simple journey: making money with a blog is not a quick process and presents a lot of pitfalls. Making sure that our blog reaches first pages of Google results is a matter that takes a lot of time and a lot of work. And even if it is so fashionable "earns with your passions", it's unfortunately not a real matter. You can't think to earning money simply by writing; you always need to sell something link a product, like a service, like an affiliation... etc. In this book I will try to be as clear as possible and show you how to set everything up properly in your blog. WHAT YOU WILL FIND IN THIS BOOK? The only way to make money through your blog, which is not «Write your passions and get ton of money!» The perfect type of blog that you should choose to start properly your blog business. How to define the right target of your readers and understand how to write to attract them to your posts. Why the domain name is so important and how to set it up to have Google on your side. The importance of the logo, colors and design of your blog; which parts are important and what you have to write in each of them. Why you should use WordPress and what plugins you should install (for free). What is the best time to get your posts out and how often you need to write one. ...and much more! Don't worry: it's a long process but nothing of hard. You can learn everything even if you never write a single blog post in your life! Scroll to the top of the page and select the BUY NOW button!
