The Tunnel Through Time: A New Route for an Old London Journey. It is the largest building project in Europe today, buried deep beneath the city of London. The great scheme for Crossrail, offering high speed links across the capital, has been a dream on planners' desks for decades, but construction is now well under way, with tunnelling and earth-shifting machines moving slowly but inexorably, like underground monsters, from separate d.

"The Time Tunnel" Chase Through Time (TV Episode 1967) - IMDb

There is a gravel path that serves as something of a time tunnel at Kline Creek Farm near West Chicago. It starts at the parking lot and modern visitors center. But as you follow it back through the trees and along the footbridge across the creek, you slowly step back into time until you emerge at a farmstead that operates much as it did in the 1890s.

Tunnel through time. Review of The Great Siege Tunnels. Reviewed 4 September 2017 . Out of all the things on the rock, we liked this the most. The size of the tunnel is amazing along with the views from the cannon ports with the sheer drops below. There's lots of history to get stuck into and the mannequins are quite special.

Crossrail, the 'Elizabeth' line, is simply the latest way of traversing a very old east-west route through what was once countryside to the city and out again. Visiting Stepney, Liverpool Street, Tottenham Court Road and Oxford Street, Gillian Tindall traces the course of many of these historical journeys across time as well as space. The Tunnel Through Time uncovers the lives of those who walked where many of our streets still run. These people spoke the names of ancient farms, manors and slums that now belong to our squares and tube stations. They endured the cycle of the seasons as we do; they ate, drank, worked and laughed in what are essentially the same spaces we occupy today. As Tindall expertly shows, destruction and renewal are a constant rhythm in London's story.

Thirteen-year-old Amanda winds up in mysterious, dangerous tunnels from the past when she goes to Moose Jaw to attend her cousin's wedding.

From the award-winning, internationally acclaimed Israeli author, a suspenseful and poignant story of a family coping with the sudden mental decline of their beloved husband and father--an engineer who they discover is involved in an ominous secret military project Until recently, Zvi Luria was a healthy man in his seventies, an engineer living in Tel Aviv with his wife, Dina, visiting with their two children whenever possible. Now he is showing signs of early dementia, and his work on the tunnels of the Trans-Israel Highway is no longer possible. To keep his mind sharp, Zvi decides to take a job as the unpaid assistant to Asael Maimoni, a young engineer involved in a secret military project: a road to be built inside the massive Ramon Crater in the northern Negev Desert. The challenge of the road, however, is compounded by strange circumstances. Living secretly on the proposed route, amid ancient Nabatean ruins, is a Palestinian family under the protection of an enigmatic archaeological preservationist. Zvi rises to the occasion, proposing a tunnel that would not dislodge the family. But when his wife falls sick, circumstances begin to spiral . . . The Tunnel--wry, wistful, and a tour de force of vital social commentary--is Yehoshua at his finest.

Do you think it's possible to be one place one minute, and then a completely different place the next? I'm talking a REALLY different place. My name is Gracie Hitt, and I did just that along with my sisters, Lizzie and Reba Dee. A normal Saturday at the County Fair turned out to be the most extraordinary time of our lives.

A Light in the Tunnel will ignite the fire raging in the depths of your heart. You will find examples of characters living as if they have nothing to lose. You will begin to feel that by working together, anything is possible. These realistic heroes find that being courageous feeds their souls. They discover that imagination is the first step on the path of creation. This is the story about moving from where we are, toward a more logical and loving planet. Better schools, better politics, better laws, better living situations for our elders. More kindness, more reason, more fun, more lightness...less people feeling alone. It's all possible. With the right leaders. Leaders who aren't afraid to work together. Leaders who have nothing to lose because they're secure in what they've already been given. This is their story. This is our story. A story about a new way.

In this inspirational masterpiece about the role of the human being in the universe, finance trader and author W. D. Gann uses the Bible to explore the secret to successful living. Through direct teachings from the Bible, the reader may learn how to understand, obey and apply the universal laws revealed in the Bible in order to bring about his own latent talents and powers, and in turn be firmly set on the road towards health, happiness and prosperity.
