verse-by-verse commentaries, Bible lists, charts and maps, and much more.

"By 1898 Wilmington, North Carolina, was a shining example of a mixed-race community-a bustling port city with a thriving African American middle class and a government made up of Republicans and Populists, including black alderman, police officers, and magistrates. But across the state-and the South-white supremacist Democrats were working to reverse the advances made by former slaves and their progeny. They were plotting to take back the state legislature in the November 8th election and then use a controversial editorial published

by black newspaper editor Alexander Manly to trigger a "race riot" to overthrow the elected government in Wilmington. With a coordinated campaign of intimidation and violence, the Democrats sharply curtailed the black vote and stuffed ballot boxes to steal the 1898 mid-term election. Two days later, more than 2,000 heavily armed white nightriders known as Red Shirts swarmed through Wilmington, terrorizing women and children and shooting at least sixty black men dead in the streets. The rebels forced city officials and leading black citizens to flee at gun point while hundreds of local African Americans took refuge in nearby swamps and forests. This brutal

insurrection is the only violent overthrow of an elected government in U.S. history. It halted gains made by blacks and restored racism as official government policy, cementing white rule for another seventy years. It was not a "race riot" as the events of November 1898 came to be known, but rather a racially-motivated rebellion launched by white supremacists. In *Wilmington's Lie*, David Zucchino uses contemporary newspaper reports, diaries, letters, and official communications to create a gripping narrative that weaves together individual stories of hate, fear, and brutality. This is a dramatic and definitive account of a remarkable but forgotten

and personal struggles Dr. Viehman recounts his journey from death to life in a way that will resonate with anyone seeking the facts and examining the evidence for themselves. Dr. Viehman uses his medical mind to come at these issues in a profound way that is striking, refreshing and fascinating. He is vulnerable, transparent and has the utmost integrity as he sorts out fact from fantasy. This new author is exciting, enjoyable to read and intriguing in his unique approach to this topic. I believe we will hear much more from him and it will shake up many long held beliefs about Christ, Christians and the Church. --- Big Mac Publishers -----

exposed to the escalating tension between the African-American and white communities of Wilmington, North Carolina.

A thoughtful look at the value of learning from the past: “Nobody has done more than John Lukacs to turn the short history book into an art form” (Antony Beevor, *Toronto Globe & Mail*). To study history is to learn about oneself. And to fail to grasp the importance of the past—to remain ignorant of the deeds and writing of previous generations—is to bind oneself by the passions and prejudices of the age into which one is born. John Lukacs, one of today’s most widely published historians, explains what the study of history
