The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

Newbery Honor Book * ALA Notable Children's Book "A beautifully written and imaginatively constructed novel that speaks to the power of survival and the delicacy of grief." –School Library Journal (starred review) This acclaimed bestselling Newbery Honor Book from multi-award-winning author Sharon Creech is a classic and moving story of adventure, self-discovery, and one girl's independence. Thirteen-year-old Sophie hears the sea calling, promising adventure and a chance for discovery as she sets sail for England with her three uncles and two cousins. Sophie's cousin Cody isn't so sure he has the strength to prove himself to the crew and to his father. Through Sophie's and Cody's travel logs, we hear stories of the past and the daily challenges of surviving at sea as The Wanderer sails toward its destination—and its passengers search for their places in the world. "Sophie is a quietly luminous heroine, and readers will rejoice in her voyage." –BCCB (starred review) "Like Creech's Walk Two Moons and Chasing Redbird, this intimate novel poetically connects journey with self-discovery." –Publishers Weekly (starred review)
