Writing and Reporting
for the Media, 11e

The executive summary or abstract, for a scientific report, is a brief summary of the contents. It's worth writing this last, when you know the key points to draw out. It should be no more than half a page to a page in length.

Download Free Writing And

Remember the executive summary is designed to give busy 'executives' a quick summary of the contents of the report.

report, you need to be clear about who you are writing the report for and why the report has been commissioned.

Keep the audience in mind as you write your report, think about what they need to know. For example, the report could be for: the general public; academic staff; senior management; a customer/client.
